**Just One Cuddle** Angelee Addison, 2012-07-10 Faye the middle child was the scapegoat for her family's frustrations. She was physically and mentally abused but despite their feelings towards her she loved them unconditionally. Faye's first boyfriend raped her. That night she broke down sobbing to her mother. She was unexpectedly kind and gave Faye a cuddle. The next day she had a change of heart. Sex was never discussed and cleverly her mother diverted responsibility by calling Faye a dirty slut. A couple of years later Faye met John. He was regarded as a Superhero by her birth family for marrying the likes of Faye. Blessed with a girl then a boy Faye thought she was in heaven. It went wrong when Faye's perfect husband started drinking most weekends. It was after a night out Faye's husband and Liz their best friend passionately embraced in front of their partners and John's father who was waiting to drive them home. They laughed at Faye saying it was only a bit of fun and she was being ridiculous. To John it was nothing however it meant everything to Faye. He continued to drink but Faye remained grateful. He was weak natured and sided with Faye's bullying family. Only a few months later it left his wife exposed and vulnerable. Faye tried desperately to hold on to her dreams determined to keep her precious family together. Circumstances forced John and Faye to separate. Faye made countless sacrifices whilst John demoralised, intimidated and controlled her for eighteen years. It is after recovering from breast cancer Faye realises how selfish to think so little of herself when others hadn't survived. When her existence became threatened her life increased in value perhaps not to her family but to her. Almost all her family rejected her except one man he never let her down. *Shelly Laurenston Bundle: The Beast In Him, The Mane Event, Big Bad Beast & Bear Meets Girl* Shelly Laurenston, 2012-05-01 In *The Mane Event* Shelly Laurenston introduced a whole new breed of heroes: sexy shape-shifting hunks who redefine the term Alpha male. Now in *The Beast In Him* one gorgeous lone wolf is about to meet his match. Some things are so worth waiting for. Like the moment when Jessica Ward accidentally bumps into Bobby Ray Smith and shows him just how far she's come since high school. Back then Jess's gangly limbs and bruised heart turned to jelly any time Smitty's all the better to ravish you with body came near her. So some things haven't changed. Except now Jess is a success on her own terms. And she can enjoy a romp or twenty with a big bad wolf and walk away. Easy Mace. Llewellyn Brendon Shaw. Two tall gorgeous sexy alpha heroes who are 100% male with a little something extra. Lion shifters to be exact who can unleash every woman's animal side and still look good. Make that spectacular in a suit and even better out of it. NYPD cop Desiree Dez MacDermot knows she's changed a lot since she palled around with her childhood buddy Mace. But it's fair to say that Mace has changed even more. It isn't just those too sexy gold eyes or the six-foot built like a Navy Seal body. It's something in the way he sniffs her neck and purrs making her entire body tingle. Meanwhile for Tennessean Ronnie Lee Reed New York City is the place where any girl even one who runs with a Pack can redefine herself. First order of business find a mate settle down and stop using men for sex. Even big gorgeous lion shifter men like Brendon Shaw. But she needn't worry because now that Brendon's set his sights on her the predator in him is ready.

to pounce and never let go Seeing is deceiving And Ric Van Holtz the wolfishly sexy hero of Shelly Laurenston's sizzling wildly entertaining new tale is nothing you expect and everything you want When it comes to following her instincts former Marine Dee Ann Smith never holds back And this deadly member of a shifter protection group will do anything to prove one of her own kind is having hybrids captured for dogfights Trouble is her too cute rich boy boss Ric Van Holtz insists on helping out And his crazy like a fox smarts and charming persistence are making it real hard for Dee to keep her heart safe He's big burly and way smarter than your average shapeshifting bear He's also about to get trapped by own his game Lou Crushek is a reasonable mellow easygoing kind of guy But once someone starts killing the scumbags he works so hard to bust that really gets under his fur Especially when that someone is a curvy she tiger with a skill set that's turning Crush's lone bear world upside down and bringing his passion out of hibernation **Night of the Living Cuddle Bunnies** Jonathan
