Looking Beyond the Highway Claudette Stager, Martha Carver, 2006. *Looking beyond the Highway* is an examination of road history and roadside attractions specific to the South. Focused in part on numerous aspects of the material culture landscape of the Dixie Highway, the essays consider the politics of roadbuilding, roadside entertainment, the buildings and businesses one might encounter along the road, and regional adaptations to the needs and desires of northern tourists. Following the Dixie Highway from southern Illinois to Florida, with sidetrips down other southern roads, the essays cover a wide variety of subjects, many of which will resonate with anyone who has ever lived in or vacationed in the
