**Through the French Canals** David Jefferson, 2021-04-15 Through the French Canals has probably tempted more people to explore the beautiful waterways of France than any other book. First published in 1970 it has been the key authoritative title on cruising the French canals ever since. The revised new edition is the essential comprehensive planning guide for anyone wanting to cruise through the French waterways or take their boat from the English Channel through to the Mediterranean via the inland route. It includes over 50 routes fully described and illustrated with positions of locks, towns and villages through routes from the English Channel and Atlantic to the Mediterranean plus distances and assessment of suitable boats for the canals. It also provides dimensions of locks and operating times, details of bridge heights, canal depths, fuelling points, waterway signals, a guide to the cost of living, shopping and stores, sources of weather information, haltes for overnight stops and ports de plaisance. As well as new photography, the new edition is updated throughout with new information on local facilities, new haltes and ports de plaisance, new VNF License fees, revisions to cruise hire companies, updated references to holding tanks, the availability of diesel and costs of cruising and much more. [Cruising French Waterways](#) Hugh McKnight, 2005 Winner of the Thomas Cook Guide Book Award, this book is one of the leading descriptive guides to the astonishingly varied network of rivers and canals that penetrate almost every region of France. It is full of fascinating information on the historical sites, chateaux and scenic attractions of the many villages and towns that await discovery.

**The Voyages of de Villehardouin - Cruising French Waterways** Valerie Helps, 2018-09-27 Not many in late middle age realise their dream of living on a canal boat and exploring the waterways of France. Even fewer anticipate the problems that might confront them on their adventure into the unknown. Valerie and Geoffrey buy their boat which they christen de Villehardouin and set off on the Canal du Midi, drawing and writing about their journey as they meander along the two hundred year old canal. They revel in the slow pace as they enter a world of welcoming ports, canalside markets, ancient sites and chateaux, delicate wildflowers and in the Camargue, medieval jousting and pink flamingos. The various regional cuisines introduce them to gastronomic delights and memorable wines. Tackling the mighty Rhone River with its awesome deep locks in their small boat presents a challenge. Valerie and Geoffrey accept this with their usual humour. Once the Rhone is conquered they find time to enjoy the ever changing scenery of the canals as the dream unfolds.
