Seraffyn's European Adventure Lin and Larry Pardey,1998 This second book in the Seraffyn

cruising series begins with their arrival on the southwest coast of England where they coasted eastward stopping where fancy held them where good friends were made to winter at Poole and work to pay for the next leg of their voyage toward the Baltic Denmark Sweden Finland were full of welcoming and interesting people and an almost invisible bureaucracy But things were definitely different when they reached Poland were armed guards watched while the people greeted them with flowers fruits and sweets Their foray behind the Iron Curtain of the 1970 s introduced them to some of the people who lead the Solidarity Movement the force that eventually toppled the Soviet Union You ll be right on board as they weather a fierce mast under broach in a Baltic gale and through the wintery North Seas Here is a feast for the fantasies of stay at homes and a warm account of just two years of the lives of two people who have lived in a wide adventurous world for more than four decades Their motto Go Small Go Simple Go Now has encouraged thousands of other sailors to take the plunge And this book is an entertaining instruction manual on how to live a rich life on very little money Lin Pardey has in her deceptively simple and fresh faced style told the story of an unusual and appealing marriage partnership a special way of life Yachtsmen will enjoy the technical description of the problems of maneuvering in the tight harbours and unmapped channels the perils of heavy seas in a small boat But what is remarkable is that she can draw a nonsailor into these special subjects and make them as comprehensible and absorbing to a landlubber as they would be to someone about to set out on the same itinerary in a small boat of his own R Sokolov NewYork Times Book Review [Self Sufficient Sailor 3rd edition](#) Lin Pardey,Larry Pardey,2019-11-01 This book is just what the title says It is the distillation of what the Lin and Larry learned during more than 47 years of sailing together years during which they covered more than 210 000 miles on board their two cutters Seraffyn and Taleisin and on scores of other boats they have delivered or raced Lin and Larry tell how they have sailed in comfort and safety without large cash outlay on a pay as you earn as you go plan and by simplifying The first two editions of this invaluable text have seen more than 60 000 copies reach people who dream of setting sail be it for a weekend voyage across to an offshore island or for a world circumnavigation Lin continues voyaging now she is well into her seventh decade of life Armed with what she is learning as she explores the islands and far corners of the Tasman Sea she has updated and revised the information found in the original edition plus added several new chapters Amidst the new material is an extensive look at the lessons learned as Lin and Larry safely negotiated the stormy waters around Cape Horn and beyond This book could help you cut the ties that bind you to shore **As Long as It's Fun** Herb McCormick,2014-03-05 In *As Long as It's Fun* the biography of Lin and Larry Pardey Herb McCormick recounts their remarkable sailing career from their early days in Southern California to their two circumnavigations to their current life in a quiet cove in New Zealand Through interviews

with their families friends and critics McCormick delves deeply into the couple s often controversial opinions sometimes tenuous marriage and amazing list of accomplishments As Long as It s Fun is as much a love story as it is a sea yarn and like all such stories it s not without complications which makes it not only a sailing tale but also a human one
