**Cruzan V. Missouri** Bryna J. Fireside,1999 After a terrible car accident Nancy Beth Cruzan s body remained lifeless in a coma Her parents Joyce and Joe Cruzan claimed that their daughter would never have wanted to live dependent on life support machinery However due to a Missouri state law the Cruzans were prohibited from removing their daughter from this machinery When the Cruzans took their case to the Supreme Court the Court supported the constitutionality of the Missouri law but also left the door open for the Cruzans eventual removal of their daughter from life support Cruzan V. Missouri Lila Perl,2008 The impact and ramifications of cases argued before the Supreme Court are felt for decades if not centuries Only the most important issues of the day and the land make it to the nine justices and the effects of their decisions reach far beyond the litigants Under discussion here are five of the most momentous Supreme Court cases ever They include Marbury v Madison Roe v Wade Dred Scott Brown v Board of Education and The Pentagon Papers An absorbing exploration of enormously controversial events the series details highlights and clarifies the complex legal arguments of both sides Placing the cases within their historical context though they ultimately emerge as works in progress the authors reveal each decision s relevance both to the past and the present The result is a fascinating glimpse across the centuries into the workings of the Supreme Court and the American judicial system *Cruzan v. Missouri* Karen Donnelly,2003-12-15 Documents the events and system of appeals leading to a Supreme Court decision stating there must be clear and convincing evidence proving an unconscious subject s wish not to preserve life through medical intervention *Establishing a Right to Die* Ruth Elliott Barron,1999 *Cruzan Versus Director, Missouri Department of Health (1990)* United States.
