

The book cover features a central illustration of a Benu Bird, a mythical Egyptian bird with a human-like face and a long, sharp beak. The bird is depicted in profile, facing right, with its head and neck in the foreground. Its feathers are rendered in shades of brown, tan, and grey, with fine lines indicating texture. The bird's eyes are large and yellow. The background behind the bird is a large, pale yellow circle, which is set against a larger background of diagonal stripes in shades of light green and yellow. The entire scene is framed by a decorative border with a repeating floral or geometric pattern in green and gold. The title text is centered within the yellow circle.
