

Crying Child

Sir James Frederic Goodhart

Crying Child:

Hauntings and Poltergeists James Houran, Rense Lange, 2001-01-01 Few people can claim the distinction of experiencing first hand such occurrences as hauntings and the presence of poltergeists but countless numbers of people are fascinated by these unexplainable events Written by the world s most knowledgeable authorities in this field the essays in this work promote a better understanding of the manifestations of and various reasons for hauntings and poltergeist phenomena The experts come from such backgrounds as anthropology history philosophy psychiatry and sociology and provide sober yet highly readable in depth discussions of numerous ideas and rationalizations for hauntings and poltergeists from a critical and scientific perspective Divided into three major sections sociocultural physical and physiological and psychological perspectives this work provides an overview of each perspective and also addresses the general psychology of belief in the paranormal and how that belief relates to experiences with ghosts and poltergeists *Becoming an Effective Classroom Manager* Bob F. Steere, 1988-01-01 Over the years classroom management remains one of the greatest educational concerns of teachers administrators and parents This practical resource for developing and upgrading personal classroom management skills and systems addresses that concern and will prove to be an invaluable guide for preservice and practicing educators Utilizing a balanced approach based on both scholarship and experience *Becoming an Effective Classroom Manager* provides a discussion of models of management a summary of effectiveness research and related management techniques as well as coverage of routine and more complex managerial concerns and procedures Steere s approach is multi faceted interweaving three areas of concern prevention of disciplinary problems dealing coping with disciplinary problems and development of techniques for insuring that problems do not recur The book is filled with suggestions and techniques that have been successfully utilized in public school classrooms The author argues that institutions of higher learning must produce teachers who are equally adept and confident in their teaching methods management skills and their subject matter His work will help teachers become not only better managers but more effective teachers as well *Children And Social Competence* Ian Hutchby, Jo Moran-Ellis, 2005-08-15 A text which addresses the relationship between childhood competence and the social arenas of action in which children live The contributors develop a picture of children as competent sophisticated social agents focusing on the contexts which both enable and constrain that competence *Spirit Children* Aaron R. Denham, 2017-05-23 An ethnography of the spirit children phenomenon in northern Ghana placing infanticide in both a deeply nuanced local context and a global public health framework **A Hand-book on the diseases of children and their homeopathic treatment** Charles Edmund Fisher, 1895 *The Diseases of Children* Sir James Frederic Goodhart, 1888 *Signs and Symptoms in Pediatrics* Baldev Prajapati, 2023-03-10 This book is a compendium of signs and symptoms that paediatricians may encounter in everyday clinical practice Divided into 102 signs and symptoms each one is presented in a step by step approach with a brief introduction a clear description of the indication its prevalence in practice

history taking guidance analysis tips and probable aetiology Causes of each sign and symptom are listed sequentially from most common to less common and rare The comprehensive text is highly illustrated with tables and clinical photographs to assist learning This invaluable manual serves as a practical ready reckoner for quick and accurate diagnosis for practising and trainee paediatricians
