

CRYSTAL HEALING

It is becoming more and more apparent that the humble quartz crystal has extraordinary psychic properties. It can help heal the sick, and improve the energies, concentration, decisiveness, empathetic qualities and state of balance of the healthy.

This 'modern' discovery is really a re-surfacing of ancient knowledge, and, while the knowledge and use of quartz crystal power has had a continuous history ever since its ancient origins, it is now entering a renaissance. Much of what was lost is being slowly pieced together anew.

In *Crystal Healing*, Edmund Harold addresses in particular the healing powers of crystals, through discussion of the characteristics of different types of crystals, how to select crystals and how to use them to achieve harmony of body and spirit.

Spiritualist and world traveller, Edmund Harold is the President of the Sussex Spiritual Healing Organisation in the UK, and has long been the President of the Spiritual Venturers Association, which works in New Zealand, Australia and the UK.
