International media overflowed with images of marches, rallies, and human chains as protesters blockaded depots and agitated for disarmament. Though they failed to halt the deployment, the episode was a decisive one for German society, revealing deep divisions in the nation's political culture while continuing to mobilize activists. This volume provides a comprehensive reference work on the Euromissiles crisis as experienced by its various protagonists, analyzing NATO's diplomatic and military maneuvering and tracing the political, cultural, and moral discourses that surrounded the missile deployment in East and West Germany.      European Integration and the Atlantic Community in the 1980s Kiran Klaus Patel, Kenneth Weisbrode, 2013-09-02 This collection of essays weaves together the histories of European integration and the transatlantic alliance in the 1980s.      **Security and Co-operation in Europe** Alexis Heraclides, 2014-05-01 The human dimension of the Conference on Security and Co-operation in Europe (CSCE) implies an alternative vision of security and co-operation in Europe based on respect for human rights, democracy, the rule of law, minority rights, and human contacts. Until recently, the human dimension has been the main claim to perpetuity of the CSCE.
