Pérez,2010-01-29 Cuban Studies is the preeminent journal for scholarly work on Cuba Each volume includes articles in English and Spanish a large book review section and an exhaustive compilation of recent works in the field Cuban Studies 40 features a broad spectrum of articles including essays on the role of race in the revolution of 1933 the subject of disaster in eighteenth century Cuban poetry developments in Cuban historiography over the past fifty years a profile of the work of historian Jos Vega Su ol and a remembrance of essayist and literary critic Nara Ara jo who also contributed an article on travel in Cuba for this volume Beginning with Cuban Studies 34 2003 the publication is available electronically through Project MUSE More information can be found at http://muse.jhu.edu/publishers/pitt_press *Cuban Studies 43* Alejandro de la Fuente,2015-07-02 Cuban Studies is the preeminent journal for scholarly work on Cuba Each volume includes articles in English and Spanish and a large book review section Cuban Studies has been published annually by the University of Pittsburgh Press beginning with volume 16 in 1985 Beginning with Cuban Studies 34 the publication is available electronically through Project MUSE **Cuban Studies 27** Jorge Pérez-López,1998 Cuban Studies is the preeminent journal for scholarly work on Cuba Each volume includes articles in English and Spanish and a large book review section Cuban Studies has been published annually by the University of Pittsburgh Press beginning with volume 16 in 1985 Beginning with Cuban Studies 34 the publication is available electronically through Project MUSE *Cuban Studies 42* Catherine Krull,Jean Stubbs,2012-07-28 Cuban Studies 42 focuses on gender and equality issues in post 1959 Cuba and their impact on cultural and institutional change It views subjects such as politics labor food and diet race ethnicity HIV AIDS sex education tourism and prostitution masculinity and feminism among others **Cuban Studies 39** Louis A. Perez, Jr.,2009-01-01 Cuban Studies 39 includes essays on the recent transformation of the Cuban film animation industry the influence of the liberal agenda of Justo Rufino Barrios on Jose Mart a profile of the music of the Special Period and its social commentary an in depth examination of the contents important themes and enormous research potential of the Miscelnea de Expedientes collection at the Cuban National Archive and a realistic assessment on the political future of Cuba **Sexual Revolutions in Cuba** Carrie Hamilton,2012-03-12 In *Sexual Revolutions in Cuba* Carrie Hamilton delves into the relationship between passion and politics in revolutionary Cuba to present a comprehensive history of sexuality on the island from the triumph of the Revolution in 1959 into the twenty first century Drawing on an unused body of oral history interviews as well as press accounts literary works and other published sources Hamilton pushes beyond official government rhetoric and explores how the wider changes initiated by the Revolution have affected the sexual lives of Cuban citizens She

foregrounds the memories and emotions of ordinary Cubans and compares these experiences with changing policies and wider social political and economic developments to reveal the complex dynamic between sexual desire and repression in revolutionary Cuba Showing how revolutionary and prerevolutionary values coexist in a potent and sometimes contradictory mix Hamilton addresses changing patterns in heterosexual relations competing views of masculinity and femininity same sex relationships and homophobia AIDS sexual violence interracial relationships and sexual tourism Hamilton s examination of sexual experiences across generations and social groups demonstrates that sexual politics have been integral to the construction of a new revolutionary Cuban society *Cuban Studies* 37 Louis A. Pérez,2006-10-17 *Cuban Studies* has been published annually by the University of Pittsburgh Press since 1985 Founded in 1970 it is the preeminent journal for scholarly work on Cuba Each volume includes articles in both English and Spanish a large book review section and an exhaustive compilation of recent works in the field Widely praised for its interdisciplinary approach and trenchant analysis of an array of topics each volume features the best scholarship in the humanities and social sciences *Cuban Studies* 37 includes articles on environmental law economics African influence in music irreverent humor in postrevolutionary fiction international education flow between the United States and Cuba and poetry among others Beginning with volume 34 2003 the publication is available electronically through Project MUSE an award winning online database of full text scholarly journals More information can be found at http://muse.jhu.edu/publishers/pitt_press

Living Ideology in Cuba Katherine Gordy,2015-06-02 In *Living Ideology in Cuba* Katherine Gordy demonstrates how the Cuban state and its people engage in an ongoing negotiation that produces a living ideology In contrast to official slogans and fiat Cuba s living ideology is a decentralized phenomenon continually adapting informing and responding to daily life without losing sight of the fundamental national principles of socioeconomic equality unified leadership and inclusive nationalism Tracing Cuba s ideological history Gordy first looks at the ways in which the 19th century wars of independence and the 1959 revolution were used as the basis for both challenging and legitimizing Cuban socialism Following the embrace of a pure socialist ideology in the 1960s state policies of the 1970s became more accommodating of market imperatives while still holding on to the principles articulated by Che Guevara and Karl Marx In the 1990s the Cuban people themselves pushed back against further economic reforms reasserting the value of socioeconomic equality Gordy also examines ideological debates among intellectuals from the controversy sparked by Fidel Castro s Words to the Intellectuals speech to the demand in the 1990s for a separation between academia and the state not to safeguard academia from politics but to ensure that academics as such could contribute to the political dialogue

State of Ambiguity Steven Palmer,José Antonio Piqueras,Amparo Sánchez Cobos,2014-04-25 Cuba s first republican era 1902 1959 is principally understood in terms of its failures and discontinuities typically depicted as an illegitimate period in the nation s history its first three decades and the overthrow of Machado at best a prologue to the real revolution of 1959 *State of Ambiguity* brings together scholars from North America Cuba and

Spain to challenge this narrative presenting republican Cuba instead as a time of meaningful engagement socially politically and symbolically Addressing a wide range of topics civic clubs and folkloric societies science public health and agrarian policies popular culture national memory and the intersection of race and labor the contributors explore how a broad spectrum of Cubans embraced a political and civic culture of national self realization Together the essays in *State of Ambiguity* recast the first republic as a time of deep continuity in processes of liberal state and nation building that were periodically disrupted but also reinvigorated by foreign intervention and profound uncertainty Contributors Imilcy Balboa Navarro Alejandra Bronfman Maikel Fari as Borrego Reinaldo Funes Monzote Marial Iglesias Utset Steven Palmer Jos Antonio Piqueras Arenas Ricardo Quiza Moreno Amparo S nchez Cobos Rebecca J Scott Robert Whitney **Revolution within the Revolution** Michelle Chase, 2015-11-30 A handful of celebrated photographs show armed female Cuban insurgents alongside their compa eros in Cuba s remote mountains during the revolutionary struggle However the story of women s part in the struggle s success has only now received comprehensive consideration in Michelle Chase s history of women and gender politics in revolutionary Cuba Restoring to history women s participation in the all important urban insurrection and resisting Fidel Castro s triumphant claim that women s emancipation was handed to them as a revolution within the revolution Chase s work demonstrates that women s activism and leadership was critical at every stage of the revolutionary process Tracing changes in political attitudes alongside evolving gender ideologies in the years leading up to the revolution Chase describes how insurrectionists mobilized familiar gendered notions such as masculine honor and maternal sacrifice in ways that strengthened the coalition against Fulgencio Batista But after 1959 the mobilization of women and the societal transformations that brought more women and young people into the political process opened the revolutionary platform to increasingly urgent demands for women s rights In many cases Chase shows the revolutionary government was simply formalizing popular initiatives already in motion on the ground thanks to women with a more radical vision of their rights *Operation Pedro Pan and the Exodus of Cuba's Children* Deborah Shnookal, 2022-06-28 This in depth examination of one of the most controversial episodes in U S Cuba relations sheds new light on the program that airlifted 14 000 unaccompanied children to the United States in the wake of the Cuban Revolution Operation Pedro Pan is often remembered within the U S as an urgent rescue mission but Deborah Shnookal points out that a multitude of complex factors drove the exodus including Cold War propaganda and the Catholic Church s opposition to the island s new government Shnookal illustrates how and why Cold War scare tactics were so effective in setting the airlift in motion focusing on their context the rapid and profound social changes unleashed by the 1959 Revolution including the mobilization of 100 000 Cuban teenagers in the 1961 national literacy campaign Other reforms made by the revolutionary government affected women education religious schools and relations within the family and between the races Shnookal exposes how in its effort to undermine support for the revolution the U S government manipulated the aspirations and insecurities of more affluent

Cubans She traces the parallel stories of the young Pedro Pans separated from their families in some cases indefinitely in what is often regarded in Cuba as a mass kidnapping and the children who stayed and joined the literacy brigades These divergent journeys reveal many underlying issues in the historically fraught relationship between the U S and Cuba and much about the profound social revolution that took place on the island after 1959 Publication of the paperback edition made possible by a Sustaining the Humanities through the American Rescue Plan grant from the National Endowment for the Humanities

We Are Cuba! Helen Yaffe, 2020-04-06 The extraordinary account of the Cuban people's struggle for survival in a post Soviet world In the aftermath of the fall of the Soviet Union Cuba faced the start of a crisis that decimated its economy Helen Yaffe examines the astonishing developments that took place during and beyond this period Drawing on archival research and interviews with Cuban leaders thinkers and activists this book tells for the first time the remarkable story of how Cuba survived while the rest of the Soviet bloc crumbled Yaffe shows how Cuba has been gradually introducing select market reforms While the government claims that these are necessary to sustain its socialist system many others believe they herald a return to capitalism Examining key domestic initiatives including the creation of one of the world's leading biotechnological industries its energy revolution and medical internationalism alongside recent economic reforms Yaffe shows why the revolution will continue post Castro This is a fresh compelling account of Cuba's socialist revolution and the challenges it faces today

Code of Federal Regulations, 1994 **Cuban Studies 35**, 2004 **Cuban Studies 41**, 2010 **Handbook of Latin American Studies**, 1973 Contains records describing books book chapters articles and conference papers published in the field of Latin American studies Coverage includes relevant books as well as over 800 social science and 550 humanities journals and volumes of conference proceedings Most records include abstracts with evaluations

Cuban Politics Rhoda Rabkin, 1991 The Cuban Revolution presents a mixed record of achievements and failures In this comprehensive study of Cuban politics Rhoda Rabkin examines the institutions policies and performance of revolutionary Cuba The study part of the Politics in Latin America Hoover Institution Series concisely and thoroughly addresses the major issues debated by scholars concerning the Cuban revolutionary experience These include the development impasse of pre revolutionary Cuba rates of revolutionary socio economic progress elite factionalism the role of the military succession politics respect for human rights and the relevance of the Cuban model to other developing countries Rabkin analyzes with particular care Cuban efforts to reconcile revolutionary leadership including the special role of Fidel Castro with popular participation in institutions of government and mass organizations The study also analyzes in depth the likely implications of the Gorbachev era for Cuban socialism The meticulous inclusion of source references to the scholarly literature allows readers to pursue controversial issues in greater depth In a field too often dominated by polemics Rabkin provides her readers with an honest objective synthesis of contemporary scholarship on the Cuban Revolution Chapters cover background to the revolution communism Fidel style 1959 1970 institutions and policy 1970 1986 the socialist economic

system Cuban foreign policy the rectification period 1986 to the present and a concluding assessment of the Cuban revolutionary socialist development model **Cuban Studies** Alejandro de la Fuente,Reinaldo Fuetes,Cary Aileen García Yero,Lillian Guerra,2015 **British Bulletin of Publications on Latin America, the Caribbean, Portugal, and Spain** ,2002
