We chant and enchant

We chant and enchant,
Oh charming enchantment!
No raving, no ranting,
No ranting enchantments!
This ranting enchantress
Has cast her enchantment –
We see what her chant meant!
Here cant! There cant!
You charming enchanter,
Cast out her enchantment,
Uncast it, uncast it,
Discast it, discast it,
Decant! Decant! Recant!
He can't, She can't,
Why can't she recant?
Why can't he uncast?
Ranting chanting,
No recanting,
Discant, discant.

Translated by OWEN WILSON

LADY XI NO WASHIKA
8TH CENTURY

No

It's not because I'm now too old,
More wizened than you guess . . .

If I say no, it's only
Because I fear that yes
Would bring me nothing, in the end,
But a forever loneliness.

Warner,2017-11-13 Here Jayne L Warner has created a unique biographical tapestry that illuminates not only the life of one of Turkey s leading literary and cultural authorities but also the emergence of a republic in his native country and sheds new light on the history of one of the world s great cities Sumptuously illustrated throughout with evocative period pictures of Istanbul Turkish Nomad tells the extraordinary life story of this poet thinker and diplomat As a young boy Halman surveyed the last vestiges of the Ottoman Empire walked through the ruins of Byzantium and grew up in the modern nation created by the charismatic Mustafa Kemal Atatürk Talat S

Halman would go on to serve the republic as its first minister of culture. The more than four decades Halman lived primarily in the United States are not overlooked but are used to discuss how his ideas developed as he taught at leading universities: Princeton, Columbia, New York University, and introduced Americans to Turkish literature and culture through his translations and public lectures. We In the Turkish Nomad we follow the literary, scholastic, and journalistic journey of a restless writer who might best be described by the title of one of his books, *The Turkish Muse*, his 2006 collection of literary reviews tracing the development of Turkish literature during the Turkish Republic.

[The Pinter Review](#), 1999 **The Earliest English Translations of Bürger's Lenore** Oliver Farrar Emerson, 1915 **The Worlds of Langston Hughes** Vera M. Kutzinski, 2012-10-15

The poet Langston Hughes was a tireless world traveler and a prolific translator, editor, and marketer. Translations of his own writings traveled even more widely than he did, earning him adulation throughout Europe, Asia, and especially the Americas. In *The Worlds of Langston Hughes*, Vera Kutzinski contends that for writers who are part of the African diaspora, translation is more than just a literary practice; it is a fact of life and a way of thinking. Focusing on Hughes's autobiographies, translations of his poetry, his own translations, and the political lyrics that brought him to the attention of the infamous McCarthy Committee, she shows that translating and being translated, and often mistranslated, are as vital to Hughes's own poetics as they are to understanding the historical network of cultural relations known as literary modernism. As Kutzinski maps the trajectory of Hughes's writings across Europe and the Americas, we see the remarkable extent to which the translations of his poetry were in conversation with the work of other modernist writers. Kutzinski spotlights cities whose role as meeting places for modernists from all over the world has yet to be fully explored: Madrid, Havana, Buenos Aires, Mexico City, and of course, Harlem. The result is a fresh look at Hughes not as a solitary author who wrote in a single language but as an international figure at the heart of a global intellectual and artistic formation.
