A Cat Tale:

A CAT's TALE (Part One) Shanmathi Vasudevan, 2018-07-02 Phoenix lives on the planet Catland where all inhabitants are cats except him. He has a Cat head, Cat body, Horse Legs and an elephant trunk for a tail. Every time he tries to prove his innocence a cat stops him. Teaming up with a kind cat named Tom they try to reason with that cat. But they find out that the cat is trying to take over Catland. What happens next? Read the story to find out. [A Cat-Tale](#) Mark Twain, 1987 Twain's bedtime story told to his two little girls concerning their mama cat, Catasauqua and her beautiful family of catlings. **Journey Home - A Cat's Tale** Russell H. Plante, 2016-02-29 JOURNEY HOME A CAT'S TALE is a story based upon the actual life of a cat found abandoned in a dumpster left to die. Born in a small town on the coast of Maine an unpretentious cat named Patches encounters life-changing experiences during his first two years. Discarded by an uncaring owner and left homeless without food or shelter he wanders the streets to piece his life back together. Along the way he discovers new friends like Chester a relocated cat from New York City and Buster a neighborhood stray who teaches him how to fend for himself. Late one night during a violent blizzard a series of events abruptly changes his life once again after he saves Buster from a fire and then returns to the garbage dumpster for a local diner to seek shelter and food. As he jumps into the dumpster his leg is ensnared by the steel jaws of a leg trap. He feels the sharp razor-like teeth cut into him and the fear of dying or losing his foot becomes reality. Like the doleful cry of an incessant wind memories of his past and unanswered questions about his father's abandonment engulf his thoughts. Will he discover what has become of his siblings, find a new home and ever understand his father's message and why he abandoned him? Will he survive the cold darkness and discover once again a path that leads to the understanding he seeks? About the Author: Russell H. Plante is an Engineering Physicist with a diverse engineering and academic background in Engineering, Physics, Electrical Engineering and Business Administration. A skilled technical writer, he is a previously published author with John Wiley Sons Inc and Academic Press Elsevier and continues to write in both non-fiction and fiction genres. He resides with his wife Kathy and their three cats in Kittery, Maine where there's always a chance of a blizzard and some time to write meaningful stories during a long cold winter. Though she dyes it an average brown and has perfected blending into the background, she battles with always feeling like a secret freak. Things worsen when her mother remarries. Isadora and her new stepbrother, Cheyenne, have little interest in each other or their new home until they discover an unsettling story about a sixteen-year-old girl who went missing from their home, never to be heard from again. Obsessed with the details of the girl's disappearance, Isadora's best friend Heather consults with an old Ouija board, ripping the veil between our worlds wide open. Heather vanishes as does Isadora's mother. Bit by bit, Isadora and Cheyenne, along with their wise cat, Serena, get sucked into an ancient realm long forgotten by humans, an enchanted land where nothing is what it seems, where nothing can be taken for granted.
