A Christian Political Option:

A Christian Political Option Bob Goudzwaard, 1972 **The Freedom of a Christian Ethicist** Brian Brock, Michael Mawson, 2016-01-14 What is the significance of the Protestant Reformation for Christian ethical thinking and action Can core Protestant commitments and claims still provide for compelling and viable accounts of Christian living This collection of essays by leading international scholars explores the relevance of the Protestant Reformation and its legacy for contemporary Christian ethics *A Christian Perspective on Political Thought* Stephen Charles Mott, 1993 The author seeks to advance the role of biblical and theological values in the political lives of individual Christians and the public discourse of American society He argues that Americans want to make choices in terms of standards of right and wrong but tend to lack the formulation of a theory *A Christian View of Islam* Thomas F. Michel, Irfan A. Omar, 2014-07-30 A collection of essays on Christian Muslim relations by one of the world's leading experts **Let's Talk** Harold Heie, 2021-12-10 The state of public discourse in America is dismal reflecting an extreme us versus them tribalism where me and my folks have the full truth about the contentious issue at hand and those other folks are devoid of any truth and can even be demonized as evil Rather than just cursing this darkness Harold Heie presents what he considers to be a better way for those who disagree about contentious issues to respectfully engage one another a way that is deeply informed by his Christian faith perspective a way that reflects his understanding that to listen carefully to those who disagree with you and to then talk respectfully about your disagreements is a deep expression of the love for others to which Jesus calls all those who claim to be his followers But this book is not just an abstract consideration of the nature of civil public discourse Rather drawing on his successes and failures the beautiful and the ugly in his attempts to orchestrate respectful conversations on contentious issues both online and in small group face to face meetings during the past decade Heie presents practical concrete proposals for how to talk to one another about significant disagreements particularly in Christian churches that have tragically succumbed to tribalism

Political Commitment and Christian Community Alois Müller, Norbert Greinacher, 1973 **The Reality of Christian Learning** Harold Heie, David L. Wolfe, 2004-01-20 Building on foundational studies on the relationship of faith and learning this book presents concrete examples of ways in which a Christian perspective can be brought to bear on scholarship in various academic disciplines The editors present a typology of various strategies for faith discipline integration which are then exemplified by two essays in each of seven disciplines political science sociology psychology biology mathematics the arts and philosophy In each discipline a principal essayist addresses a significant issue from a Christian perspective a respondent then analyzes that essay suggesting at least one alternative approach **Sayyid Qutb's Radical Islamism and the Comparative Political Theology** Dragos Stoica, 2024-12-15 This book provides a new reading of the famous Egyptian Islamist Sayyid Qutb 1906-1966 beyond the traditional paradigm of Islamic fundamentalism Dragos Stoica opens a fresh analytical and comparative path by approaching Sayyid Qutb's work as the first anti-modern political theology

developed in the modern Muslim space **Jesus and Politics** Alan Storkey,2005 Committed to moving beyond many misunderstandings Alan Storkey examines the politics of Jesus reading out from the life and work of Christ instead of reading into the New Testament with a predisposed agenda Jesus and Politics presents a thorough narrative reading of the Gospels with far reaching implications moving into issues of political philosophy principle and practice BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Michigan Christian Advocate** ,1897 Annals of the American Academy of Political and Social Science American Academy of Political and Social Science,1908 *Public Opinion* ,1899 **On Secularization** David Martin,2005 Subjects covered in this volume include Christian language and its nature and the engagement of Christianity with politics war and peace **Essays on the Principles of Morality, and on the Private and Political Rights and Obligations of Mankind** Jonathan Dymond,1880 A Short Enquiry Into the Formation of Political Opinion from the Reign of the Great Families to the Advent of Democracy Arthur Crump,1885
