The Black Panther Party in a City near You Judson L. Jeffries, 2018-02-01 This is the third volume in Judson L. Jeffries's long range effort to paint a more complete portrait of the most widely known organization to emerge from the 1960s Black Power Movement Like its predecessors *Comrades A Local History of the Black Panther Party* 2007 and *On the Ground The Black Panther Party in Communities across America* 2010 this volume looks at Black Panther Party BPP activity in sites outside Oakland the most studied BPP locale and the one long associated with oversimplified and underdeveloped narratives about and distorted images of the organization The cities covered in this volume are Atlanta Boston Dallas and Washington D C The contributors examine official BPP branches and chapters as well as offices of the National Committee to Combat Fascism that evolved into full fledged BPP chapters and branches They have mined BPP archives and interviewed members to convey the daily ups and downs related to BPP's social justice activities and to reveal the diversity of rank and file BPP members personal backgrounds and the legal political and social skills or baggage that they brought to the BPP The BPP reportedly had a presence in some forty places across the country During this time no other Black Power Movement organization fed as many children provided healthcare to as many residents educated as many adults assisted as many senior citizens and clothed as many people In point of fact no other organization of the Black Power era had as great an impact on American lives as did the BPP Nonetheless when Jeffries undertook this project chapter level scholarly investigations of the BPP were few and far between This third book *The Black Panther Party in a City Near You* raises the number of BPP branches that Jeffries and his contributors have examined to seventeen Contributors Curtis Austin Judson L.
