the media Using a thinking outside the box approach this volume helps fill major gaps in traditional cold case investigation training and techniques enabling investigators to confidently reopen and crack the mystery of cases long thought unsolvable Silvia Pettem was quoted in a January 29 2012 article on missing persons in the Colorado Springs Gazette Solving Cold Cases Joe D. Kennedy, Hogan Hilling, 2023-03-17 Solving a cold case is extremely difficult and many are left unresolved In this book retired NCIS Special Agent Joe Kennedy details the methodology he created to solve cold case murders He offers an in depth behind the scenes look into why cases go cold how they are investigated and what is needed to successfully resolve them Author Kennedy shares his motivations and the lessons he has learned while solving these challenging cases Also examined are cold cases where other detectives have successfully implemented Kennedy's methodology Many books delve into the perspectives of criminals who commit murder but this text takes a fascinating gumshoe journey into the mind of a cold case detective and his passionate search for the truth Helping law enforcement solve cold cases brings justice and resolution for the victims and their families and this book provides detectives and true crime enthusiasts the tools to investigate cold cases in their own communities *A Cold Case* Philip Gourevitch, 2002-07-10 From a prize winning author and in Elmore Leonard's words a knockout writer comes a masterfully written and gripping tale of a determined investigator who reopens an unresolved case of double homicide in New York nearly thirty years after the brutal event Philip Gourevitch vividly evokes the almost vanished gangland of New York in the sixties and carries us deep into the lives and minds the passions and perplexities of two extraordinary men who embody opposing but quintessentially American codes of being the lawman Andy Rosenzweig and the outlaw Frankie Koehler With *A Cold Case* Gourevitch masterfully transforms a criminal investigation into a searching literary reckoning with the urges that drive one man to murder and another to hunt murderers Cold Case Homicides R. H. Walton, 2017-07-06 This book now in its second edition is the first and most exhaustive text covering the still growing popularity of cold case investigations which locate perpetrators and free the innocent The new edition adds approximately 80 pages of content including material on clandestine graves and investigating cold gang cases The book merges theory with practice through the use of case histories photographs illustrations and checklists that convey essential fundamental concepts while providing a strong practical basis for the investigative process **The Lazarus Files** Matthew McGough, 2019-04-30 A deeply reported riveting account of a cold case murder in Los Angeles unsolved until DNA evidence implicated a shocking suspect a female detective within the LAPD's own ranks On February 24 1986 29 year old newlywed Sherri Rasmussen was murdered in the home she shared with her husband John The crime scene suggested a ferocious struggle and police initially assumed it was a burglary gone awry Before her death Sherri had confided to her parents that an ex girlfriend of John's a Los Angeles police officer had threatened her The Rasmussens urged the LAPD to investigate the ex girlfriend but the original detectives only pursued burglary suspects and the case went cold DNA analysis did not exist when Sherri was murdered Decades later a swab from a bite mark on Sherri's arm revealed her killer was in

fact female not male A DNA match led to the arrest and conviction of veteran LAPD Detective Stephanie Lazarus John s onetime girlfriend The Lazarus Files delivers the visceral experience of being inside a real life murder mystery McGough reconstructs the lives of Sherri John and Stephanie the love triangle that led to Sherri s murder and the homicide investigation that followed Was Stephanie protected by her fellow officers What did the LAPD know and when did they know it Are there other LAPD cold cases with a police connection that remain unsolved *Cold Case True Crime* Denise N. Wheatley,2021-07-01 True crime is her beat But this cold case is personal Samantha Vincent has turned her fascination with true crime into a popular blog When an old friend asks her to investigate a murder the police couldn t solve she begins to suspect that the cops want this case to go cold Sam is confident she ll catch the killer when Detective Gregory Harris agrees to help her but everything changes when she becomes a target Mills Boon Intrigue Seek thrills Solve crimes Justice served Cold Cases James M. Adcock,Sarah L. Stein,2017-05-22 Nearly 185 000 homicides since 1980 remain unsolved yet with limited staff and resources it is no surprise that law enforcement units place the bulk of their efforts on current cases where victims family members and the media demand answers Cold Cases An Evaluation Model with Follow up Strategies for Investigators provides a comprehensive roadmap for digging those cold cases out of the file room and getting them resolved Practical and concise the book is an invaluable tool for police officers and detectives attempting to solve crimes that would otherwise be forgotten Evaluating the Case Divided into three sections the book begins with a historical perspective on how cases get to the point where it appears all investigative leads have been exhausted It includes a chapter on understanding the process of homicide and those who kill critical information for the homicide investigator Next the authors explain the evaluation model They demonstrate the key elements of organization thoroughness and the value of the scientific method This section validates theories of the crime raises evidentiary issues and concerns addresses the informational and behavioral aspects relative to the crime and the participants in the crime and documents investigative strategies for future efforts on the case Investigating and Solving the Crime The third section discusses the investigation that follows the evaluation The book considers questions investigators must ask including what should be looked at beyond the case file itself and how the growth in technology since the date of the incident might provide new opportunities to uncover clues This section also explores the choice of interview interrogation techniques based on the behavioral aspects involved Finally the authors suggest how investigators can maximize their efforts and obtain not just an arrest but a conviction Useful appendices include sample standard operating procedures from three different agencies to use as a guide for setting up a cold case unit and a list of additional resources a department may look to for assistance By following the cold cases evaluation model in this volume those charged with resolving long forgotten crimes can increase their chance of an accurate resolution or at least be able to say that everything that can be done has been done **Images of a Murder** John W. Hanson,2009-06-01 The year is 1955 and the small peaceful coastal community of Carmel by the Sea would be shocked by the vicious murder and mutilation of

one of its citizens former silent screen actress Carla Miles Local law enforcement would work vigorously to solve the crime that had all the indications the killer was a psychopathic sexual sadist During the investigation several good suspects were questioned but the police could never link them to the crime The case would eventually die as a famous unsolved murder Thirty five years would pass before an eyewitness to the murder would come forward to contact Detective Colt Hannon This would start a cold case murder investigation that would impact the detective s career for the rest of his life The Carla Miles murder case is based on a true homicide investigation that took over thirty five years before its final conclusion

Unmasked Paul Holes,2022-04-26 THE INSTANT NEW YORK TIMES BESTSELLER It s a mark of the highest honor when I say it s even more riveting than an episode of Dateline The New York Times From Paul Holes the detective who found the Golden State Killer Unmasked is a memoir that grabs its reader in a stranglehold and proves more fascinating than fiction and darker than any noir narrative LA Magazine I order another bourbon neat This is the drink that will flip the switch I don t even know how I got here to this place to this point Something is happening to me lately I m drinking too much My sheets are soaking wet when I wake up from nightmares of decaying corpses I order another drink and swig it trying to forget about the latest case I can t shake Crime solving for me is more complex than the challenge of the hunt or the process of piecing together a scientific puzzle The thought of good people suffering drives me for better or worse to the point of obsession People always ask how I am able to detach from the horrors of my work Part of it is an innate capacity to compartmentalize the rest is experience and exposure and I ve had plenty of both But I have always taken pride in the fact that I can keep my feelings locked up to get the job done It s only been recently that it feels like all that suppressed darkness is beginning to seep out When I look back at my long career there is a lot I am proud of I have caught some of the most notorious killers of the twenty first century and brought justice and closure for their victims and families I want to tell you about a lifetime solving these cold cases from Laci Peterson to Jaycee Dugard to the Pittsburg homicides to yes my twenty year long hunt for the Golden State Killer But a deeper question eats at me as I ask myself at what cost I have sacrificed relationships joy even fatherhood because the pursuit of evil always came first Did I make the right choice It s something I grapple with every day Yet as I stand in the spot where a young girl took her last breath as I look into the eyes of her family I know that for me there has never been a choice I don t know if I can solve your case I whisper But I promise I will do my best It is a promise I know I can keep

Cold Cases James M. Adcock, Sarah L. Stein, 2014-10-29 Because the investigation of cold cases is usually an arduous and time consuming task most law enforcement agencies in the United States are not able to dedicate the resources necessary to support the cold case investigation process. However, when those cases are fully pursued and prosecuted they often result in convictions and lengthy prison terms. *Cold Cases Evaluation Models with Follow up Strategies for Investigators* Second Edition saves law enforcement time by providing detailed guidelines for determining if a cold case is solvable and if so how to organize, manage and evaluate the investigation. It also provides techniques for developing investigative strategies to complement the evaluation process and resolve the crime. This second edition features a new revised model and methodology for investigating cold cases suitable for all police and public safety agencies large or small domestic or international. This new model is more expeditious and convenient for departments that have less manpower and experience in dealing with cold cases. It emphasizes the prioritization of cold cases based on the availability of physical evidence and the chances of deriving matches from said evidence and an identified person of interest. Additional topics covered in the second edition include: How cases go cold, Strategies for creating a cold case unit, Cold case investigations in a Dutch educational environment, a chapter written by members of the Dutch Police Academy, New forensic science technologies including DNA, CODIS and AFIS, Case studies demonstrating advances in suspectology, Strategies for effective investigative interviewing, Challenges posed by staged crime scenes in cold cases, How to craft a cold case evaluation report. The expert authors of this book maintain The Center for the Resolution of Unresolved Crimes and conduct training and consulting worldwide. Their practical book is designed to help law enforcement agencies resurrect long forgotten cases, bringing closure to victims and holding accountable those who are responsible. This book is part of the *Advances in Police Theory and Practice* series.

Unsolved No More Kenneth Mains, 2017-05-24 As a law enforcement officer for over fifteen years, Detective Kenneth L. Mains has investigated thousands of cases. Although he has been called a modern day success story, it wasn't without failure. This book will take you on a journey from a struggling kid who barely graduated High School to a teenager who joined the Marine Corps and finally to a man who put himself through college in order to accomplish his lifelong goal of being a Detective. Mains has held a distinguished career in law enforcement which has included working undercover with the FBI, solving cold cases, investigating the Mafia and later leading one of the greatest cold case organizations ever assembled. Because of his innate ability to solve cases, Mains is routinely sought out by law enforcement and victims' families to help solve cold cases. He will take you through some of his very own cold case investigations to give the reader an insight on how he solves cases by using the art of deduction. Through triumph and tragedy, you will see that he has succeeded by staying focused on his goals regardless of the obstacles placed in front of him. Yet this is a story about success as much as it is a cold case instructional by

A Cold Case Introduction

In the digital age, access to information has become easier than ever before. The ability to download A Cold Case has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download A Cold Case has opened up a world of possibilities. Downloading A Cold Case provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading A Cold Case has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download A Cold Case. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading A Cold Case. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading A Cold Case, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download A Cold Case has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
