A Beginners Handbook To Traditional Native American Beadwork

Kate MacFadyen

A Beginners Handbook To Traditional Native American Beadwork:

A Beginner's Handbook to Traditional Native American Beadwork James J. Byrne, Teresa A. Byrne, 2005-05-12 This book is designed to help the beginning or novice beadworker explore the art of traditional Native American beadwork and guide them through their initial projects While many beadwork craft books stress more contemporary beading applications this volume emphasizes the techniques and materials necessary to emulate the traditional art of native artisans The basic techniques of sewn beadwork are described in detail and are accompanied by clear illustrations The author also explores the use of color and design elements in traditional beadwork and outlines the historical significance of beads and beaded articles in Native American culture This guidebook is an excellent first resource for scouts youth groups and young adults interested in Native American art and culture

The Complete Guide to Traditional Native American Beadwork Joel Monture, 1993-10-21 I can think of no recent book about traditional crafts which has delighted me more than Joel Monture's Complete Guide to Traditional Native American Beadwork All too often books of this nature are either as boring as a repair manual or obscure and inaccurate Monture's triumph is that his book is not only the best and most complete book about virtually every aspect of Native American beadwork tools materials styles and methods it is also clear interesting reading Written from the point of view of a Native master craftsman who is also a gifted teacher and accompanied by striking full color photos it can serve as either a beginning point or a lifelong reference tool I am confident that Monture's book will bring him wide praise not only from beadworkers but also from any person who delights in knowing more about the meaning and the history of an indigenous artform which is finally attracting the sort of critical attention and informed appreciation it deserves Joseph Bruchac author of Keepers of the Earth Includes all the basic stitches and designs Contains a special section on natural tanning methods Extensive glossary Full color photos of authentic Native American beadwork

HowExpert Guide to Native American Beadwork HowExpert, Leonora Raye, 2022-04-19 If you want to learn how to make Native American Beadwork then check out HowExpert Guide to Native American Beadwork Have you ever seen Native American Beading Have you ever held a piece of sacred art and wondered at its origins Here is a guide that can not only open the world of Native American Beading but will give you a glimpse into the culture and origins of this wonderful art This book is written by Leonora Raye who will take you from knowing about beading to experiencing the art firsthand You will find yourself led step by step through colorful illustrations and instructions that will allow you to create your own designs and implement them into beautiful pieces of Native American art Even with no prior experience you can learn to weave and stitch beads into fabulous jewelry and adorn everyday items around you Written in a simple modern language there's no need to worry that you can't follow along while enjoying the feeling of accomplishment at learning a new skill and art form The images are compiled to ensure you will fully understand each step and the projects are thought out to give you a well rounded knowledge of this ancient art HowExpert Guide to Native American Beadwork even shows you the mistakes you can

avoid as you begin to bead Many books give instructions while leaving you to figure out how to finish your work Each piece covered within these pages takes you all the way through to the finished product You will be able to use and admire your work for years to come Many ancient art pieces are lost as time moves by us This book will let you preserve knowledge and beauty from cultures closed to most people It opens up a world that is rich in beauty and life And most important we don't forget a part of Native American history the skills and beauty that's gone before us Check out *HowExpert Guide to Native American Beadwork* if you want to learn how to make Native American beadwork About the Author Leonora Raye was bequeathed the Native American name Little Blue Jay She is a direct descendant of the Cherokee tribe She began beading at the age of six and continues to this day She has been a part of many Native American beading circles and enjoyed decades of being steeped in the Native American culture Many times the Native Americans are portrayed as a conquered people but inside the pages of this book a part of their heritage lives on that will never be conquered Leonora Raye or Little Blue Jay has preserved for us a sample of the ingenuity and deftness of her own relatives The designs and complex stitching are revealed through her willingness to share a lifetime of being a part of Native American Beading HowExpert publishes how to guides by everyday experts *Bead Jewelry Making for Beginners: Jonathan K.
