A Bible Study In My House:

A Bible Study in My House? David Burnham, Sue Burnham, 1975-09-01 From Death to Life Esther O. King, 2018-10-26 This book is fascinating and unique It is from the depths of the heart of our heavenly Father of the heart of America and of the heart of the Philippines This book is about the stories that must be read for the glory of God From the beginning and to the ending of this book it is about the exciting glory of God and his power that will bring inspiration within your soul This is an extraordinary and unforgettable treasure from heaven filled with hope love healing restoration deliverance confidence blessings wisdom knowledge and his revelation Esther is the one who breaks the ground being a child living in the poorest country of the Philippines and being a brave woman coming to America Her true story is a living testimony and her experience is from the heart of pain fear hopelessness suffering persecution abandonment poverty and even death And because of God's grace and mercy she turned the brokenness of her spheres into hope love and faith Her life changed from being defeated to becoming a victor And at the end she experienced the joy the beauty and the triumph victory of God over her life Instead of hate her heart is filled with love and forgiveness for those who hurt and afflicted her Esther experienced the love and the glory of God with many signs wonders and miracles in her life It shows that God is real and that he is alive within her soul She has passion to pray for those who have been afflicted and have many various diseases She was doing the will of God over her life God performed miracles for her by bringing her back from death to life Through battling the cancer she saw the work of the Great I Am who rescued her and by the grace of God she is still standing She was transformed from darkness to light from slavery to freedom from mourning to joy God radiated his glory over her as she walked with him God is the only one who can navigate her This book will make and create a higher ground of his power over your life God's fire and the essence of his word will cultivate and make your whole world upside down for his glory By reading this book your life will never be the same It will transform you **My House Shall Be a House of Prayer** Lance Lambert, 2018-09-07 As the return of the Lord draws near there has never been a time when effective prayer is more strategic necessary and essential than now Will we be a people who will truly watch and pray Will anyone respond to His call and challenge Corporate intercession is almost a lost art and that when we most need it I sought for a man among them that should build up the wall and stand in the gap before me for the land that I should not destroy it but I found none Ezekiel 22 30 This is the call and challenge of the Lord **God Knows My House Number** Innocent Ononiwu, 2010-03-11 The book documents testimonies of God's miraculous interventions in my life financial family and ministry *Home Missions* Presbyterian Church in the U.S.A. Board of Home Missions, 1904 *Witnessing Where You Live, Work, and Play* Neal H. Creecy, 2025-04-08 The church in America is getting smaller and smaller Each year average church attendance decreases while the number of Americans who identify as having no religious affiliation increases Even traditionally Christian areas such as the Bible Belt are seeing the same trends as the rest of the nation America is not alone in experiencing these trends

Western Europe once a strong Christian continent is also going the same way What is the cause of the decline of Christianity in America as well as Western Europe Many have written on this topic but I believe it is because of a lack of faithful witnessing by everyday Christians In my twenty eight plus years of ministry I have found over and over again that faithful church members do not know how to share their faith nor do they have any idea of where to begin having an impact for the Kingdom of God Our culture has lost the practice of hospitality Churches have become so programmatic that many Christians find all their social time and needs being met on the church campus Even when Christians find themselves engaged within the community in different social activities such as youth sports they have no idea how to leverage those relationships for the Gospel Witnessing Where You Live Work and Play is a practical guide that does four things It will help you understand God s calling on your life as a follower of Jesus to be a witness for Him It will provide training in how to walk someone through the Gospel using both your personal testimony and the Word of God It will help you understand the different domains where you live your life It will help you develop strategies to begin having an impact with the Gospel in those different domains
