

A BIBLIOGRAPHY OF PERSIA. By Sir ARNOLD T. WILSON. 8vo.  
x + 253 pp. Oxford: Clarendon Press, 1930. 20s.

It is sadly characteristic of the poverty of our instruments in nearly all branches of Eastern study that M. Schwab's *Bibliographie de la Perse*, admittedly imperfect to begin with, and long out of date, has had to wait forty-five years for a successor. Sir Arnold Wilson and his assistants are all the more deserving of our gratitude for this, the first instalment of a much fuller and more catholic bibliography, and it is to be hoped that they will not disappoint the expectations which they have aroused for a second volume of analytical indices. Any criticisms which may be passed upon the material from the technical bibliographical standpoint have been anticipated in an introductory note; apart from these details the achievement invites little but praise. Every reader will doubtless note a few omissions in his special field—I have noted, e.g. Zambaur's *Manuel de Généalogie et de Chronologie* (Hannover, 1927), the important studies of Wellhausen and Lammens touching on Persian history and religion in the first and second centuries of Islam, and the relevant chapters in the *Cambridge Mediaeval History* (all too few, but worth a reference)—and occasional inaccuracies in the dates of books and articles carry a suggestion of hasty revision. The O.U.P. has bestowed on the publication of the book its usual care and craftsmanship, though at a cost which is more than a little disconcerting to the ordinary student.

H. A. R. GIBB.

THE DIENAR OF THE COPTIC CHURCH. From the Vatican Codex Copt. Borgia 53 (2). Edited by DE LACY O'LEARY, D.D. pp. vii + 67. Luzac. 15s.

I reviewed the first two parts of this publication, covering the first eight months of the Coptic year, in the *Bulletin*, vol. iv (1926), p. 406, and vol. v (1928), p. 172. The present and final instalment covers the months Pachon, Paoni, Epep, and Mesore, and the intercalary days (Nasi = *Epagomenae*). Students of Coptic hagiology and language have every reason to be grateful to Dr. O'Leary for the completion of this valuable work: the hymns are founded on the Arabic of the *Synaxarium*, and not derived from older Coptic sources, but they contain occasional fresh material. Dr. O'Leary points out, for instance, that at Pachon 25 the well-known Colluthus is entirely omitted, and his place taken by Hiroudē, who does not appear at all

Lorentz, 2010-04-14 Iran is a country with a deep and complex history Over several thousand years Iran has been the source  
of numerous creative contributions to the spiritual and literary world and the site of many remarkable manifestations of  
material culture The special place that Iran has come to hold in contemporary historical events most recently as a center  
stage actor in the unfolding and interconnected drama of worldwide nuclear arms proliferation and terrorism is all the more  
reason to explore the characters and personality of Iran and Iranians The A to Z of Iran is designed to give the reader a quick  
and understandable overview of specific events movements people political and social groups places and trends Through its  
extensive chronology introduction bibliography appendixes and more than double the number of cross referenced dictionary  
entries as in the previous edition the work allows for considerable exploration of a number of historical and contemporary  
topics and issues In particular the modern period defined as 1800 present is covered extensively      The Encyclopaedia of  
Islām, 1913      A Reference Guide for English Studies Michael J. Marcuse, 1990-01-01 This ambitious undertaking is  
designed to acquaint students teachers and researchers with reference sources in any branch of English studies which  
Marcuse defines as all those subjects and lines of critical and scholarly inquiry presently pursued by members of university  
departments of English language and literature Within each of 24 major sections Marcuse lists and annotates bibliographies  
guides reviews of research encyclopedias dictionaries journals and reference histories The annotations and various indexes  
are models of clarity and usefulness and cross references are liberally supplied where appropriate Although cost conscious  
librarians will probably consider the several other excellent literary bibliographies in print such as James L Harner s *Literary*  
*Research Guide* Modern Language Assn of America 1989 larger academic libraries will want Marcuse s volume Jack Bales  
Mary Washington Coll Lib Fredericksburg Va Library Journal
