Finnamore,2009-05-12 This book has been revised Please see 2012 copy Captive Heart Anna Windsor,2011-01-15 The Dark Crescent Sisterhood 6 As Sybils protector warrior witches they control the Elements But passion is a force that no one can contain Being the only fully trained water Sybil is a big responsibility which leaves Andy Myles too busy defending New York from flesh eating Rakshasha demons and dealing with a personal tragedy to even think about entrusting her broken heart to the wrong man So the last thing she needs is the FBI s overbearing adviser for Manhattan Occult Crimes Unit Jack Blackmore whose Army tough attitude and critical ways are working her last nerve Honestly she she could just drown him in a tidal wave of her water energy except for the one small fact that she can t stop thinking about kissing him A lot What is it about hating a man that makes him so hot Jack s 100% percent human and 200% tough He s never come across a problem he couldn t solve bullets steel and his own two hands But now he finds himself fighting beside warrior witches who can kill with just a snap of their fingers and he seems powerless to defend his heart against a wild woman with kisses that taste like sweet southern rain But as a wave of evil takes hold over the city Jack has only one opportunity to put an end to the all of the violence and win Andy s love The finale of this trilogy in Windsor s Dark Crescent Sisterhood series races out the gate and never looks back From the first Andy Myles has been a fan favorite so seeing her finally get her due is hugely satisfying Windsor s skill and talents are on full display as she gives the readers exactly what they want thrilling tales filled with action passion and gut wrenching emotion Brava RT Book Review "Here a Captive Heart Busted" Howard W. Fulweiler,1993 Seeming to stand as a wall between the nineteenth and twentieth centuries sentimentality is almost a defining characteristic of the greatest literary figures of the former But reflection reveals that sentimentality is perhaps the most common of all literary modes of the twentieth century as well disguised in the latter case by an intense obsession with sexuality This book attempts to understand sentimentality as an important event in the developing history of Western consciousness the state of which still parallels the condition of Mark Twain s Jim in *Huckleberry Finn* imprisoned in a flimsy slave cabin of false sentiment Here a captive heart busted The author traces this sentimental journey of modern literature by focusing on six major writers Tennyson and Dickens as the giants of Victorian domestic sentimentality Hopkins and Hardy as transitional figures in whom the sentimental tropes of the nineteenth century are moving toward the sexual sentimentality of the twentieth Lawrence and Eliot as representatives in different ways of the sexual sentimentality of the twentieth century The hypothesis of the book is that the general consciousness of Western society has undergone severe shocks as a result of the loss and sometimes repression of an older human awareness of what anthropologists have called participation a term which may be defined as a non sensory link between human beings and nature This loss of participation has become gradually apparent with the erosion of its visible emblems the Church with its supporting intellectual bulwark of the divine origin and purposes of Natural Law

the extended family as visualized in feudal hierarchical theories of society and finally the nineteenth century ideal the nuclear family with its sacred location the Home and its glorified Proprietress the Woman The argument grows out of the work of philosophers like Ernst Cassirer and Susanne Langer anthropologists like Mircea Eliade and Lucien Levy Bruhl historical philosophers like R G Collingwood Thomas Kuhn and Michel Foucault historically oriented literary critics like Erich Auerbach and finally the eclectic writing of Owen Barfield The book closes with a brief epilogue which focuses on Toni Morrison s Beloved a fascinating apotheosis of earlier sentimental themes The conflict between belonging and freedom and between head and heart continues in the twentieth century as it grew out of the nineteenth Finally the author calls for exchanging the literature of sentimentality for a literature of freedom truth and feeling a literature which may serve as an underground railroad for Western consciousness to begin its escape from the slavery of sentimentality to find a real knowledge of the heart

The Captive Heart Anastasia Sweet,2020-12-28 *Captive Heart* Sarah McKerrigan,2008-12-21 A warrior born and raised Helena of Rivenloch is desperate to save her youngest sister from a fate worse than death marriage After trying and failing to murder the groom she does the next best thing She takes his right hand knight the dashing Colin du Luc as her hostage Captive Heart L. L. Chaikin,2000 *Captive Heart* Caroline Anderson,1999 **Sweetheart, Will You be True?** Laura Jean Libbey,1901 **Captive Heart** Patti Beckman,1980 **The Captive Heart** ,2012 *The Captive's Heart* Carol C and Gary M Roberts,2025-10-20 Georgia 1834 Beautiful headstrong Luella Carter has never known freedom At fifteen her father has traded her future to a wealthy cousin old enough to be her grandfather a marriage of convenience meant to save the family name But when the carriage bound for Richmond breaks down on a lonely Southern road Luella dares the unthinkable She runs Alone and desperate she s captured by Tayan a young Cherokee man with eyes as dark and fierce as the wilderness itself To him she is a burden a stranger from a world that has taken everything from his But as danger closes in and the two are forced to rely on each other desire sparks between them wild undeniable and forbidden What begins as captivity becomes awakening Torn between a life of obedience and a love that defies every rule of her world Luella must decide whether to surrender to her heart or lose it forever *The Captive s Heart A Story of Forbidden Love in the Old South* is a sweeping tale of passion and peril where love burns brightest against the darkness of duty and desire
