raised by an impoverished widowed mother whose life savings were stolen by the family attorney He further chronicled his time as a poverty stricken student sleeping in a tent while attending Whitman College serving as a private in the army during World War I and riding the rods like a hobo to attend Columbia Law School Relying on fifteen years of exhaustive research in eighty six manuscript collections revealing long hidden documents and interviews conducted with more than one hundred people many sharing their recollections for the first time Bruce Allen Murphy reveals the truth behind Douglas s carefully constructed image While William O Douglas wrote fiction in the form of memoir Murphy presents the truth with a narrative flair that reads like a novel
