## **A Certain People American Jews And Their Lives Today:**

**A Certain People** Charles E. Silberman, 1985 Examines the American Jewish community and argues that American society is open to Jews as never before and they are not threatened by anti-Semitism or assimilation but have experienced a revitalization of religious cultural and intellectual life Jewish Arguments and Counterarguments Steven Bayme, 2002 Steven Bayme examines the challenges facing American Jewry the contemporary significance of Israel and Jewish peoplehood and the claims of Jewish tradition in the modern world *Studies in Contemporary Jewry: IV: The Jews and the European Crisis, 1914-1921* Jonathan Frankel, 1988-06-30 Nazism Normalcy and the German Sonderweg by Steven E. Aschheim The Hebrew University Signed by author Jews Without Judaism Daniel Friedman, 2010-10-04 It may fairly be said that religion plays virtually no part in the lives of most American Jews So begins Daniel Friedman's provocative discussion of American Judaism Friedman a rabbi for almost forty years has counseled thousands of Jews on the meaning of being Jewish From this wealth of experience he has created this fascinating series of fictional conversations each of them a distillation of many actual conversations Should Jews marry outside the faith and if so what are the likely consequences How should Jews cope with anti-Semitism or evaluate their tense historical relationship with Christianity Can one be Jewish without being religious without belief in God indeed without Judaism Are all values relative if one does not believe in God In contemporary society these timely questions are of great importance to both practicing and nonpracticing Jews Each of the fictional conversations thoroughly explores these issues with sensitivity and offers much valuable advice culled from Rabbi Friedman's many years of thinking about what it means to be Jewish in a secular age **Studies in Contemporary Jewry: VIII: A New Jewry?** Peter Y. Medding, 1992 Annotation The eighth volume of the acclaimed annual publication of the Institute of Contemporary Jewry at the Hebrew University of Jerusalem this volume focuses on the history and development of American Jewish life since World War II Contributions include A Golden Decade for American Jews 1945-1955 by Arthur A. Goren American Judaism Changing Patterns in Denominational Self-Definition by Arnold Eisen Value Added Jews in Postwar American Culture by Stephen J. Whitfield The Postwar Economy of American Jews by Barry R. Chiswick Jewish Migration in Postwar America The Case of Miami and Los Angeles by Deborah Dash Moore and All in the Family American Jewish Attachments to Israel by Chaim Waxman The volume also contains essays book reviews and a list of recent dissertations in the field **Crisis and Covenant** Jonathan Sacks, 1992 Discusses various issues in contemporary Jewish theology Ch 2 p 25-53 The Valley of the Shadow is dedicated to the theological interpretation of the Holocaust The Holocaust poses several problems to Jewish thought Is God present in the post-Auschwitz world Did the Holocaust renew the Covenant or did it survive intact May the Holocaust be interpreted in terms of punishment or is its meaning different maybe inexplicable in the extant categories of human ethics May the Holocaust be regarded as a necessary transitional point on the way to the Jewish state What lessons may be extracted from the Holocaust Presents various solutions of modern day Jewish theologians Argues that the only

lesson of the Holocaust is the reality of a common Jewish fate
