A Child Of Destiny:

A Child of Destiny Part I Paula M. Moore,2013-07 A Child of Destiny Part II is the continuation of A Child of Destiny part one The first book was centered towards children It was a children s story whose setting was from ancient Africa preferably Amazulu Kingdom With a good story line and animations that will leave you wondering what happens next the story continues Now you have A Child of Destiny II which is more of an adult version that catches the reader up to speed from incidents that took place in part one I have to say part two is all the more intriguing with a twisted fate historical hints and movie potential So journey with me as the child in whose destiny is unfolding right before your eyes becomes a reality

A Child of Destiny Paula M. Moore,2011-11 A Child of Destiny is a children s book with the intention to bring values to all children who read it The story goes back in time and focuses on a young African girl who was not only a miracle but also suffered the loss of her parents at a young age She was birthed from loving parents and was called a child of destiny It was already enough for her to go through life being raised by her grandfather in the absence of her parents It was more than enough for her to experience great opposition and hardship due to jealousy from other family members However in the end she received her just reward and understands all the more why she had to go through what she went through So journey with me as we unfold Fikile s life

Child of Destiny: A Code to Understanding the Mystery Behind Places, Phases and People In Life. Ayo Aivoji,2022-01-05 Young people are particularly vulnerable to the manipulations and trickery of the devil He is fully aware that the youthful years are a precious gift with a limited time frame Consequences of actions and inactions taken by the individual at this stage in life will have far reaching consequences in the later years Therefore he tries to ensure that this incredibly productive period in their lives is wasted This book is a reflective compilation of synthesized knowledge for discerning youths to digest The content seeks to help youths maneuver different spheres they find themselves in life It will help them comprehend the roles of the varying persons in their lives maximize every phase and opportunity and identify the different people sent to them by either God or the devil Using varying instances from the scripture the reader is taken through a journey of the travails of different Bible characters that were similarly on a quest to fulfil their own destinies These examples lucidly depict how great destinies have been made and how some have been marred through lack of understanding Now the book is not restricted to youths alone Anyone regardless of age whois still in the process of deciphering their life s purpose or who already knows theirpurpose but are yet to actively align with it also qualify to be called a child of destiny Many people are loaded with greatness yet they are walking the earth with their heads bowed with no single inclination oftheirpotentials These categories of people will surely find parallels drawn between their experiences and the rich narratives of biblical characters whose lives have been thoughtfully illustrated within the pages of this book In addition to this they can learn from the wealth of experiences of others that has been carefully illustrated It encapsulates real life accounts of people that have gone through confusion concerning their purpose in life people that failed to comprehend God s

plan for them and have doubted Him as a result It also goes on to depict how these same persons were able to get back on the right track How they found God amid their mess and ultimately became a messenger of God s unending love and irrevocable counsel Ultimately it is a book that reminds the reader that God is mindful of them It does not matter how far you have fallen from the rightful path to fulfilling your destiny you can still get back on track It is a book about hope hinged on God s endless love for His chosen The reader is reminded that God s love reaches to the deepest of our miseries the worst of our sins the ugliest of our secrets and the worst of our fears A prayer book filled with prayer points aimed at helping the reader find and actualize God s original plan for their lives or to re align with it Destiny's Child Ann Major,2019-11-16
