Andrews,2016-11-03 *Under Their Very Eyes* Deborah Meroff,2016-01-15 From a brutal and impoverished background in Reading England Tom Hamblin became a believer as a teenager before serving as a missionary in the Far East He and his wife Edna spent more than a decade leading expeditions into the heart of Borneo Gradually they become convinced that the Lord was calling them to minister in the Arabic peninsula in particular to carry in thousands of Bibles in Arabic Farsi and Urdu They conveyed shipment after shipment into this region never losing a copy and surmounting all restrictions Customs guards turned a blind eye Tom distributed Bibles very simply walking around with a bag and waiting for people to ask him what he was doing The Islamic world is widely regarded as closed to the gospel but this is untrue Tom discovered an extensive network of believers very few churches but many clandestine meetings for worship and a huge hunger for truth

**A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter,2019-12-31

The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English

sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
