*Fifty-Five Rides and Morocco Too* David Shwaiko, 2016-05-21 The author loved to hitchhike The seventies were hitchhikings golden age From 1970 to 1976 by himself and with three different partners he hitchhiked literally thousands of miles He just totaled it up Including all the short US hitches and the three long ones the two long Canadian hitches and the European hitches it totals out to about twenty seven thousand miles Thats longer than the circumference of our beloved planet Earth Mostly in the early years he hitchhiked with his best friend Jack On one trip they used Interstates 84 90 and 94 from Milwaukee to Washington state and back making side trips whenever they felt like it On their longest trip the Grand Loop they hitchhiked west over 1 500 miles on Canadas Highway 1 then south the entire 1 300 miles of gorgeous coastal US Highway 101 and then to Texas and back home That hitch was about seven thousand miles Then in 1974 the author and Jack made it to Europe

and Morocco too Maybe you picked the author up He usually set out from Milwaukee or Madison Wisconsin On day trips hed be alone When he wasnt with Jack on longer trips and some were weeks long hed hitch with a girlfriend or his sister You get more rides many more and much quicker accompanied by a woman There was some danger but not much There was a lot of pot smoking Those rides were fun but essentially uneventful He doesnt dwell on them much So he will do that here The VW van that picked us up was full of kids about our age They were drinking beer and smoking pot They shared with us It was free and we didnt want to be rude We drank and smoked got drunk and high and enjoyed the ride Believe me there were plenty of those rides in the seventies Maybe Ill stick one in the book every once and awhile But mostly I prefer the other more unique rides and road experiences They are genuine mostly not overly dramatic and from another place and time
