Cw Thanksgiving Gift Of Child:

The Canon Law of the Roman Catholic Church and the Church of England 2nd edition Rhidian Jones, 2016-04-21 This highly useful book provides quick reference and accessibility to the current canon law of both churches. The entry for every canonical term presents its definition and the law relating to it in each canon. There are cross references throughout to help the reader make further significant connections. Also included are terms not easily translated across the two canons and some common terms from the Eastern Catholic Church. The appendices contain changes to the Universal law of the Roman Catholic Church which are outside the 1983 Code of Canon law. At a time when Christians are increasingly working side by side this is an essential resource for pastoral workers, scholars and clergy in all the churches. For this new edition the content has been significantly updated and revised. Of the now 466 entries in this book 80 have been updated or added newly.

Celebrating Christian Initiation Simon Jones, 2016-04-20 Drawing on research carried out as part of the Baptism Project and making helpful connections with popular catechetical material from sources such as Pilgrim Simon Jones considers how where and for whom rites of Christian initiation are celebrated and how baptism has been rediscovered as fundamental to the Church's identity and mission. Very little has been written recently about the celebration of rites of Christian initiation. Focussing primarily on the material in Common Worship including the new texts for baptism as well as drawing on other liturgical traditions this book fills the gap with a concise yet comprehensive treatment that takes full account of the latest needs and developments.

Connecting with Baptism Mark Earey, Trevor Lloyd, Ian Tarrant, 2007 Connecting with Baptism is a comprehensive and accessible companion resource to help clergy and lay leaders unpack Christian initiation pastorally, practically and theologically. In a down to earth and stimulating way it provides an enormous amount of practical help, background information and suggestions for clergy and lay leaders involved in taking policy decisions, providing pastoral care and using the initiation services. Written from a wealth of pastoral and liturgical experience it covers the whole scope of Christian initiation including baptism and confirmation. Topics covered include Infant baptism, Connecting initiation with mission and evangelism, The role of godparents, Preparing adults for Christian initiation, Helping those who are baptized or confirmed to grow in faith, Christian initiation in Fresh Expressions of church. The guide includes real life stories, discussion starters and helpful cross references to other sections in the text and the Bible.
