Photography and Cyprus Liz Wells, Theopisti Stylianou-Lambert, Nicos Philippou, 2020-12-18 Formerly a British colony the island of Cyprus is now a divided country where histories of political and cultural conflicts as well as competing identities are still contested Cyprus provides the ideal case study for this innovative exploration extensively illustrated of how the practice of photography in relation to its political cultural and economic contexts both contributes and responds to the formation of identity Contributors from Cyprus Greece the UK and the USA representing diverse disciplines draw from photography theory art history anthropology and sociology to explore how the island and its people have been represented photographically They reveal how the different gazes colonial political gendered and within art photography contribute to the creation of individual and national identities and by extension to the creation and re creation of imagery of Cyprus as place While Photography and Cyprus focuses on one geographical and cultural territory the questions this book asks and the themes and arguments it follows apply also to other places characterized by their colonial heritage The intriguing example of Cyprus thus serves as a fitting test ground for current debates relating to photography place and identity **Cyprus Within the Ancient Greek World** Panayiotis Georgiou, 2016-03-17 Cyprus Aphrodites island has played a tremendous part in ancient Greek history This book explores its vast mythology battles Greek gods heroes and everything in between Presented in an easy to read simplistic style including pictures this work brings to life Cypruss epic Greek past **Cyprus in Texts from Graeco-Roman Antiquity** , 2023-02-13 How was the unique character of the island of Cyprus perceived in antiquity This volume aims to engage with this question by examining references to Cyprus in ancient texts and by exploring authors connected to the island The readers can thus find literary interpretations on a wide range of Greek and Latin texts focusing on Cyprus by world leading Classical scholars which will cast further light on the literary and cultural tradition of the island The book promises to motivate further exploration of these topics and of the influence of a place in ancient literature and beyond Geostrategic Alliances in the Eastern Mediterranean and MENA Thrassy Marketos, Nicolas Mazzucchi, Thomas A. Alexopoulos, 2022-04-13 This book examines the geostrategic alliances in the Eastern Mediterranean and MENA regions It analyzes how these alliances transcend stereotyped political and cultural prototypes throughout western Eurasia as the outcome of shifting regional power balances The authors explain how this development has its foundation mostly in the United States Pivot to Asia policy resulting in a lower priority ranking of the Middle East for Washington but also in the emergence of China s economic incursion on the wider region The book looks into and presents different reasons for this paradigm shift First and foremost the historical ambitions and conflicting assertions of sovereignty in the region Then competition over control of hydrocarbons reserves and pipeline politics civil wars and political chaos in certain littoral states US retrenchment and Russia s naval base expansion in Syria as well as Turkish expansion in Libya NATO allies divisions and not to reckon with waves of migration and refugees Yet some internal and external factors could lead to some changes in

these trends including the need to engage in energy transitions due to climate change consequences in the region Therefore this book is a must read for scholars students policy makers and practitioners interested in a better understanding of the political development in the Eastern Mediterranean and MENA regions as well as of International Relations in general

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
