**Mapping Power** Navroz K. Dubash,2018-08-22 Electricity is critical to enabling India's economic growth and providing a better future for its citizens In spite of several decades of reform the Indian electricity sector is unable to provide high quality and affordable electricity for all and grapples with the challenge of poor financial and operational performance To understand why Mapping Power provides the most comprehensive analysis of the political economy of electricity in India's states With chapters on fifteen states by scholars of state politics and electricity this volume maps the political and economic forces that constrain and shape decisions in electricity distribution Contrary to conventional wisdom it concludes that attempts to depoliticize the sector are misplaced and could worsen outcomes Instead it suggests that a historically grounded political economy analysis helps understand the past and devise reforms to simultaneously improve sectoral outcomes and generate political rewards These arguments have implications for the challenges facing India's electricity future including providing electricity to all implementing government reform schemes and successfully managing the rise of renewable energy

**Tamil Cinema** Selvaraj Velayutham,2008-04-03 This book examines Tamil cinema which has recently overtaken Bollywood in terms of annual output outlining its history and distinctive characteristics and proceeds to consider a number of important themes such as gender religion class caste fandom cinematic genre the politics of identity and diaspora      The Politics of Cultural Nationalism in South India Marguerite Ross Barnett,2015-03-08 In this book Professor Barnett analyzes a successful political movement in South India that used cultural nationalism as a positive force for change By exploring the history of the Dravida Munnetra Kazhagam party the author provides a new perspective on political identity In so doing she challenges the interpretation of cultural nationalism as a product of atavistic and primordial forces that poses an inherent threat to the integrity of territorially defined nation states and thus to the progress of modernization The founding of the DMK party in 1949 the author shows was a turning point in the political history of Tamil Nadu South India because it ushered in the era of Tamil cultural nationalism In the hands of the DMK Tamil nationalism became an ideology of mass mobilization and thus shaped the articulation of political demands for a generation The author analyzes the social political and economic factors that gave rise to cultural nationalism the interplay between cultural nationalist leaders and the role of cultural nationalism in a heterogeneous nation state Originally published in 1976 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      The State, Society, and Foreign Capital in India Sojin Shin,2018-08-30 Addresses the socio political factors such as ideas and interests

of political actors which produce the different levels of foreign direct investment FDI in states of India Parties and Political Change in South Asia James Chiriyankandath,2016-04-14 Over the past seven decades and more political parties have become an essential feature of the political landscape of the South Asian subcontinent serving both as a conduit and product of the tumultuous change the region has experienced Yet they have not been the focus of sustained scholarly attention This collection focuses on different aspects of how major parties have been agents of and subject to change in three South Asian states India Pakistan and Sri Lanka examining some of the apparent paradoxes of politics in the subcontinent and covering issues such as gender religion patronage clientelism political recruitment and democratic regression Recurring themes are the importance of personalities and the corresponding neglect of institutionalisation and the lack of pluralism in intraparty affairs factors that render parties and political systems vulnerable to degeneration This book was published as a special issue of Commonwealth and Comparative Politics *Regionalism in Power* Samir Kumar Das,1997 Case study of Asom Gana Parishad political party in Assam **Journal of the Society for Study of State Governments** Society for Study of State Governments,1975 Lok Sabha Debates India.
