Dad Dilemma:

The Modern Dad's Dilemma John Badalament, 2010-10-06 Being a dad isn't something you are, it's something you do. This mantra is at the heart of John Badalament's practical approach to helping dads build strong, healthy relationships with children of any age. In *The Modern Dad's Dilemma: How to Stay Connected to Your Kids in a Rapidly Changing World*, he presents powerful insights, road-tested activities, and inspiring stories from over a decade of working with thousands of dads, children, and families across the country. His hands-on advice and exercises are designed to help fathers meet the difficulties of today's family and work-life challenges that previous generations never faced. [The Varsity Dad Dilemma](#) Lex Martin, 2021-07-20 A USA TODAY BESTSELLER. I'll just ignore Rider and those soul-searing looks he gives me every time I reach for the baby. He broke my heart three years ago; he won't get a second chance. What's worse than having Rider Kingston, the hotshot quarterback on your college football team, give you the big brushoff because he doesn't want to get serious? You'd probably think living across the street from him, where you get a first-hand view of his hookups, is right. That's what I thought until someone drops off a surprise baby with a note pinned to her blanket that says one of those jocks, either Rider or one of his numbskull roommates, is the father. I wouldn't care one bit about their paternity problems except my brother lives there, too, which means that adorable squawking bundle might be my niece, and there's no way I'm leaving her unattended with those bumbling football players. They need my help, even if they don't know it yet. Once we solve this dilemma and figure out who the daddy is, I'm out. *The Varsity Dad Dilemma* is a sexy small-town sports romance novel from USA Today best-selling author Lex Martin. Over three thousand readers are raving about the passionate, angst-filled enemies-to-lovers romance and the smoking-hot chemistry between Gabby, the slightly nerdy Latina with a take-charge attitude, and her surprisingly sweet ex-boyfriend Rider. Who knew that he actually had a heart of gold underneath that deliciously ripped, well-defined exterior? Gabby and Rider have great chemistry, and their banter is HOT. While she had loathed everything about Rider since freshman year, there was no denying the physical attraction they had towards each other. If you are looking for a college romance that brings the laughter with loads of sexual tension and plenty of heart-melting moments, check this book out. [Reader Review](#) [The Dad Dilemma](#) Jamie Bautista, Arnold Arre, 2008 [The Divorced Dad Dilemma](#) Gerald S. Mayer, 2000-11-02 At last, the confused and hurt father experiencing the loss of marriage, family life, and routine contact with his children can find calm and loving guidance in how to live in changed circumstances. So much written about divorce and single parenting is addressed to women. Until recently, a caring father has had relatively little guidance for his conduct in the painful process of dismantling a traditional family and establishing a new basis for relating to his former spouse and his children. Gerald S. Mayer in *The Divorced Dad Dilemma* provides this critically needed guidance in an authoritative, gentle, and thorough manner. [The Single Dad Dilemma](#) Kat Savage, 2025-05-04 From USA Today Bestselling Author Kat Savage comes a brand new spinoff series, *Family of Misfits*. If you fell in love with the found family in the *Men of Bird's Eye* series,
