Daddy Play With Me:

Play With Me Nika Stone, 2023-02-28 My crush on my brother's best friend never went away Now that we're all grown up can we take a chance on us Moving back to my hometown is giving me a fresh start but it also means reconnecting with people from my past People like my brother's best friend Joshua Brennan Josh was the boy I always wanted and the one I never could have All these years later he's dreamier than ever And when my secret life as a sex columnist is revealed Josh not only defends me he agrees to help with my research We try to keep things professional but the spark between us won't be denied When our new relationship is revealed Josh and I have to decide are we just trying to rewrite history Or could the passion between us become a true love story *Play With Me* is the seventh book in the Hotel D series These short steamy romances feature mature couples who know what they want in the bedroom and out Each book in the series can be read as a standalone

Daddy's Girls Suzanne Gold, 2000-11-17 *Daddy's Girls* is a rich yet simple family tale of love madness and spirit told in the three first person points of view of its three women Overlapping vignettes create a vivid patchwork of lives defining moments to reveal dark forces lurking beneath the family's typical middle class veneer as they struggle to love one another The story is fiction with a dash of magical realism but the inspiration is autobiographical *Daddy's Girls* recently received a glowing review from Terry Mathews of Bookbrowser.com She calls it A book that will speak to you on many levels that can alter your perception of the world broaden your horizons and urge you to think outside the box The best book I've read since Cunningham's *THE HOURS* And Ruth Williams author of *Younger Than That* Now says *Daddy's Girls* is a luxuriant narrative telling the stories of three complex women two sisters and their mother and how their lives are impacted by the mental illness of one A fascinating and obviously well informed look at heartbreaking realities This is a book written from the heart
