Daddy Long Legs Watermill:

Notes from the Element Roger E. Taylor, 2007-08-13 When eighth grade schoolteacher Roger Taylor turned forty he decided to invest in a new set of wheels a Honda Element not the type of car you might expect from a man in a midlife crisis But the car was just the catalyst for Taylor s real midlife adventure a journey across North America and back again In this unique portrait of a great American road trip Taylor describes the breathtaking scenery vivid experiences and personal insights that framed his journey of self discovery in the summer of 2003 From amusing stories of teachers camping in the Sierra Nevada Mountains to an encounter with armadillos in Texas and a never ending hike on the Appalachian Trail Taylor reflects on somber moments within the still serene places of the natural world and shares fascinating historical details about some of the most memorable tourist sites on the continent His insights will lead you to appreciate the power of nature the beauty of North America and the value of reconnecting with family and self

Tilted Days Shirley Nicholson, 2023-03-28 I ve learnt Shirley Nicholson writes to listen to island talk and this book proves the truth of that with its close observation of the birds animals and people of Fair Isle and the note it strikes again and again of wonder at her good fortune in finding herself on this northern island But Nicholson s poems are more than tributes to what that place s winds blow in her direction Nicholson is also both an observer and practitioner of what she calls island skills and these poems nip at their lines cast off images and steadily stitch together memorable patterns which are possessed by a singing weather of their own John McAuliffe It s not often that someone can come in on a small island community and understand the rhythm of life in all its cyclical glory and portray it with such detailed beauty and understanding but that s exactly what Shirley has achieved with her heartfelt portrayal of Fair Isle its people wildlife seasons and landscape She weaves the past into the present in a tantalising journey through the island drawing the reader in and painting a beautiful technicolour portrait in words and verse of island life Laurie Goodlad
