Daddys Boys:

Daddy's Boy L. T. Meade, 1888 **Daddy's Little Baby Boy** William Harold Neidlinger, 1905 **Paternalism Incorporated** David Leverenz, 2004

Between the Civil War and World War I David Leverenz maintains the corporate transformation of American work created widespread desire for upward mobility along with widening class divisions In his view several significant narrative constructs notably the daddy s girl and the daddy s boy emerge at the intersection between paternalist practices and more democratic possibilities for self advancement From Mark Twain s Laura Hawkins in *The Gilded Age* to the protagonist of Theodore Dreiser s *Sister Carrie* and Willa Cather s *Alexandra Bergson* in *O Pioneers* Leverenz finds that the image of the daddy s girl constrains the emerging threat of the career woman even as it articulates the lure of upward mobility for women In surveying the figure of the daddy s boy Leverenz examines tensions between young men s desires for upward mobility and older men s desires for paternal control **Paternalism Incorporated** also addresses yearnings for individualism and paternalism in various critiques of the emerging corporation Another chapter links honor and shaming to race in the philanthropic practices of Andrew Carnegie and John D Rockefeller framed with narratives by William Dean Howells Booker T Washington and Jane Addams After showing how a daddy s girl becomes a paternalist in Henry James s *The Golden Bowl* Leverenz considers F Scott Fitzgerald s *Tender is the Night* as paternalism s elegy contrasted with the Shirley Temple film *The Little Colonel*
