A Cache of Jewels Ruth Heller, 1990-12-01 Introduces young children to collective nouns with simple rhyming text and paintings of all kinds of animals flowers and fanciful objects [A Cache of Jewels](#) Ruth Heller, 1998-02-23 Highly informative and lushly illustrated An unbeatable combination for pleasure and learning Children s Book Review Service The illustrations and the vocabulary will delight small eyes and ears School Library Journal Q A Ruth Heller A Paperstar Profile Ruth Heller Profile How did you become interested in writing books for children I loved reading to my own children and when they started school I became the P T A library chairman I was the one who got to pick and choose and spend a nice fat budget for the elementary school library I feel as though I ve been surrounded by children s books for years I suppose this and my strong art background are what prompted my trying to write What is the biggest influence in your style of writing and how has it changed since you first began Hillaire Belloc Gilbert and Sullivan Edward Lear I grew up reading all of them I love their rhythm and I loved reading Dr Seuss to my children No question these were my influences I think I ve become wordier not quite as minimal and succinct as I used to be What made you decide to write a series on the parts of speech Take a peek at the back end paper of the hardcover edition of A Cache of Jewels You ll see that I committed myself in print to writing a book for each part of speech Here I am ten years later thankfully completing the very last book in this series It will be published in 1998 Do you begin with the words or pictures when you are developing a book How does the second part come together The first step is to decide what I am going to say on each page Then I can begin to visualize my illustrations The words dictate what the illustration will be but that still gives me many options Sometimes the two come together easily sometimes not If not I pursue new research material until something clicks Did you learn anything new about the parts of speech while writing these books I learned many things I had forgotten and some new information and rules that I had never known I also learned that the textbooks that I used for research were difficult to understand and somewhat boring and that I am guilty of frequent misuse of the English language How do you choose the images in your book An art teacher once told me to fall in love with whatever I was drawing So I choose images that I love candy ice cream butterflies sea creatures carousels jewels etc **Cache of Jewels and Other Collective Nouns** Ruth Heller, 1987 *A Cache of Jewels* Ruth Heller, 1987 Rhyming text and illustrations introduce a variety of collective nouns such as a drift of swans and a clutch of eggs [A Cache of Jewels and Other Collective Nouns](#) Ruth Heller, 1989 Rhyming text and illustrations introduce a variety of collective nouns such as a drift of swans and a clutch of eggs **A Cache of Jewels and Other Collective Nouns** , 1998 Rhyming text and illustrations introduce a variety of collective nouns such as a drift of swans and a clutch of eggs **Great Grammar Lessons that Work** Lee Karnowski, 2000 A hands on discovery mode of teaching English grammar using a variety of techniques **Literature-based Math Activities** Alison Abrohms, 1992 This unique resource uses 40 popular children s books as springboards to math learning It s brimming with activities and reproducibles that focus on number sense
