A Checklist of the Writings of Daniel Defoe John Robert Moore,1971 *A Checklist of the Writings of Daniel Defoe. (Second printing.) MS. notes [by the author, including corrections up to November 1966].* John Robert MOORE,1960

Selected Writings of Daniel Defoe James T. Boulton,1975-05-08 Paradoxically Daniel Defoe is diminished by his popularity as the author of a handful of important novels since the remainder of his voluminous writings suffer undue neglect Fully to understand him he should be taken whole but his authorship of over 500 publications renders this feat well nigh impossible The purpose of this selection then is to enable the reader to make or renew the acquaintance of Defoe on some of his favourite topics such as trade and politics manners and morality in poetry as well as prose and in works like *A True Relation of the Apparition of One Mrs Veal* and *Memoirs of a Cavalier* which are characteristic blends of fact and fiction Equipped with the insights possible from this sample the reader it is hoped will return to the major novels with a keener appreciation of their distinctive quality and a livelier sense of their author
