

Jesus died on the cross,
and his friends were
very sad.

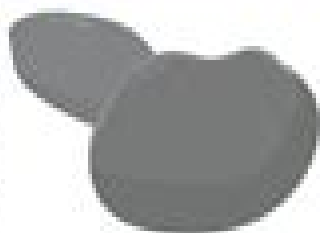

They put his body
into a tomb. There
was a big heavy stone
to block the door.

Two women went to
the tomb. They were
both named Mary.

Suddenly, the Earth
started shaking. An
angel came down
from Heaven.

The angel rolled
the big heavy stone
out of the way. He knew
the women were looking
for Jesus.

The angel told them
"He is not here,
He is risen, just
as he said."

Jesus is Alive!

The Story of Easter

A Childs Story Of Easter

Alexander Preece

A Child's Story Of Easter:

A Child's Story of Easter Fulton Oursler, 1998-08-19 Beginning with the events surrounding Palm Sunday and continuing through Jesus ascension the Easter story is told in language easily understood by children The author reminds readers that the story is not yet finished it is now up to them to put God's love into action **A Child's Story of Easter** Etta Wilson, 1997 Anna Bartlett Warner 1827-1915 was an American writer and author of several hymns and religious songs for children The best known of her songs is almost certainly Jesus Loves Me This I Know however some stanzas of this were written by David Rutherford McGuire She wrote some books jointly with her sister Susan Warner Elizabeth Wetherell and also wrote under the pseudonym Amy Lothrop Amongst her other works are *Ellen Montgomery's Bookshelf* 1856 *Casper* 1856 *Pond Lily Stories* 1857 *Hard Maple* 1859 *The Golden Ladder* 1863 *The Carpenters Daughter* 1864 *Little Jacks Four Lessons* 1869 *Wych Hazel* 1876 *Tired Church Members* 1881 and *Daisy* 1885 *A Child's Story of Easter* Susan Hardesty, 2006 Colorful drawings and simple text tell the story of Easter **A Child's Story of Easter** Cherie Rayburn, 1993 [A Child's Story of Easter](#) Etta Wilson, 2001-09 Recounts the events leading up to and including Christ's death and resurrection **He is Risen! The Story of Easter | Children's Jesus Book** Baby Professor, 2017-02-15 Easter is not just about the Easter bunny and its colorful eggs A long time ago a dead man rose from the dead after three days The story of Easter is a story of hope and new beginnings It is time that your child knows the history of Easter so he/she can better appreciate the celebration Use this book today *The Easter Story Through a Child's Eyes* Alexander Preece, 2026-01-22 *The Easter Story Through a Child's Eyes* is a gentle retelling of the Easter journey as a child might experience it through feelings moments and quiet questions rather than long explanations This book walks with young readers from the joy of waving palm branches through the confusion of changing crowds the fear of the night everything went wrong and the long silence of waiting It does not rush past sadness or soften hard moments but tells them carefully in language children understand and emotions they recognize Fear feels real Waiting feels long Hope returns slowly Told in simple everyday words this story allows children to experience the Easter story as something close and personal Jesus is shown as kind calm and understanding someone who feels alone forgives freely and keeps loving even when things hurt The resurrection is shared not as a sudden burst of noise but as a quiet morning where joy grows little by little Written with warmth and sensitivity this book helps children understand that Easter is not just one happy day but a journey of love loss patience and hope It creates space for questions emotions and reflection making it ideal for families who want a thoughtful faith-filled story without pressure or fear Perfect for children ages five to ten this book is well suited for family reading during Lent Holy Week and Easter It also works well for bedtime or quiet reflection churches classrooms and faith-based homes and parents and caregivers seeking a gentle emotionally honest Easter story *The Easter Story Through a Child's Eyes* reminds children that love does not disappear when things get hard waiting has meaning and hope often returns softly one small moment at a time *A Child's Easter* Patricia

Alter, 2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently

Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
