A Childs Year:

THE NEW-YEAR'S BARGAIN - A Children's Fantasy Story (Illustrated) Susan Coolidge,2020-06-02 The New Year s Bargain by Susan Coolidge is a lovely children s story with charming illustrations throughout by Addie Ledyard first published in 1871 and again in 1884 The story takes place in the Black Forest in Germany where two little children Max and Thekla come across Time creating the months of the year out of small moments Max is unable to resist taking some moments for himself and when the months come to demand their time back he bargains with them to tell he and Thekla a story each month and to bring them a present The stories have a mythical aura while still maintaining a Victorian sensibility about women s roles and dead children Even so it is still a fascinating read To be read to children by adults and scholars of children s literature should definitely take a look The 13 chapters of this book are I The Bargain with the Months II The Bear Story III Little Tot IV Maria V May s Garden VI The Little Housekeepers VII The Last of the Fairies VIII The Story of a Little Spark IX The Desert Island X Nippie Nutcracker XI Chusey XII How the Cat kept Christmas Conclusion What was on the Tree TABS
