Cyprus A View From The Diaspora:

Cyprus George Gregoriou,2000 **Diaspora Engagement in Times of Severe Economic Crisis** Othon

Anastasakis,Manolis Pratsinakis,Foteini Kalantzi,Antonis Kamaras,2022-06-19 How does a severe economic crisis impact on diaspora homeland relations The present volume addresses this question by exploring diaspora engagement in Greece during the protracted post 2009 eurozone crisis In so doing it looks at the crisis as a critical juncture in Greece s relations with its nationals abroad The contributors in this book explore aspects of diaspora engagement including transnational mobilisation homeland reform the role of diasporic institutions crisis driven migration as well as comparisons with other countries in Europe This book provides a compelling and original interdisciplinary study of contemporary diaspora issues through the lens of an advanced economy and democracy facing a prolonged crisis and as such it is a significant addition to the literature on European diasporas

Britain and the Cyprus Crisis of 1974 John Burke,2017-11-28 This book examines the ideological and socio political discourses shaping the remembrance and representation of Britain and the Cyprus conflict of 1974 within Greek Cypriot society By combining the official with the popular and drawing on an extensive range of oral history interviews this monograph shows that a suspicion born out of Britain s long neo colonial connection to Cyprus has come to frame the image and understanding of British actions associated with the events and lasting consequences of 1974 Indeed with the island of Cyprus still divided and the requirement to remember a national imperative this book has a direct contemporary relevance However within the existent literature while much has been written about the political roots of the Cyprus conflict no study has yet sought to systematically analyse and understand the influences shaping the history and memory of British actions on Cyprus in 1974 One defined by the existence of partitionist conspiracies collusive accusations and a series of memory distortions which continue to resonate strongly irrespective of the evidence that is now available As such by analysing the influences shaping the image of Britain in 1974 one can begin to understand in ever greater detail the Anglo Greek Cypriot relationship in a modern context

Diasporas of the Modern Middle East Anthony Gorman,2015-05-29 Approaching the Middle East through the lens of Diaspora Studies the 11 detailed case studies in this volume explore the experiences of different diasporic groups in and of the region and look at the changing conceptions and practice of diaspora in the context of the modern Middle East

Diasporas and Transportation of Homeland Conflicts Élise Féron,Bahar Baser,2024-05-07 This book explores the transformation and reinvention of conflict generated diaspora groups politics in countries of residence Numerous narratives link diasporas and conflicts diasporas are seen alternatively as peace wreckers or peace makers as products of forced migration related to conflicts or as targets of securitization policies Transported conflicts occurring within and between diasporas in their countries of residence however remain relatively underexplored tend to be misunderstood and often associated with criminal or terrorist activities The chapters in this volume draw our attention to various interconnected temporalities explaining patterns of conflict transportation such as the temps long of

diasporic mobilisation the here and now of what is happening in both host and home countries and micro temporalities and diasporans life trajectories Finally the contributions demonstrate that patterns shapes and even occurrence of conflict transportation vary according to scale and space Highly politicized forms of confrontation are not necessarily representative of everyday interactions between diaspora groups which can entail discrete but tangible forms of cooperation and even solidarity This edited volume calls for nuancing our approach to the links between diasporas and conflicts to avoid falling into the essentialisation trap The chapters in this book were originally published in *Ethnopolitics* *Cyprus Within the Biblical World* James H. Charlesworth, Jolyon G. R. Pruszinski, 2021-03-25 This volume moves discussion of ancient Israelite culture beyond concepts of isolation and borders factoring in already well known insights from classical studies and ancient history that take greater account of the impressive connections between all the countries bordering the Mediterranean Sea Specifically the contributors focus on Cyprus and the Bible and offer archaeological and biblical insights to consider how and in what ways Cyprus and Cypriot culture was related to biblical life and perceptions Though the Mediterranean separated Palestine from Cyprus it also joined them archaeological finds expose significant trade relations and cultural commonalities not only in the Hellenistic and late Roman eras but for many centuries prior These relations developed and became even more intimate in the later biblical period as evidenced by early Jewish and Christian writings By exploring various methods of cultural contact the contributors suggest that further examination of cultural links between Cyprus and Palestine in the biblical period can repay dividends in understanding the development of ancient Israelite religion early Judaism and early Christianity **Modern Greek Studies Yearbook** ,2004 *International Migration and Sending Countries* E. Østergaard-Nielsen, 2003-09-09 Drawing on case studies from the Americas Europe Africa and Asia *International Migration and Sending Countries* demonstrates how sending countries are emerging as complex and significant actors in migration politics It shows how a more nuanced understanding of sending countries policies towards their emigrants and diasporas is relevant for both academic and public policy debates on issues of migration control and development In addition wider issues are considered such as the implications of migrants cross border membership dual allegiances and transnational practices together with the scope and powers of the state in a period of globalization *Greece in Print* ,2002 **Basque Diaspora** Gloria Pilar Totoricaguena, 2005 An investigation into the specifics of Basque migrations cultural representations diasporic politics and ethnonationalism using theories from sociology political science history and anthropology Distributed for the Center for Basque Studies *Diaspora* ,2000 **Step-mothertongue** Mehmet Yaşın, 2000 **Views from Phlamoudhi, Cyprus** Joanna S. Smith, 2008 Includes 76 b w figures Fieldwork in the village of Phlamoudhi Cyprus from 1970 1973 by the Columbia University Expedition to Phlamoudhi recorded the only systematically excavated evidence for Middle to Late Bronze Age and Iron Age settlement north of the Kyrenia Mountains Halted by the war of 1974 that divided the island most of the discoveries in Phlamoudhi remained unpublished until 2000 when the Phlamoudhi Archaeological Project began the

systematic study analysis and publication of the material This book s chapters cover the two main excavated sites the hilltop site of Vounari and the larger settlement at Melissa the region s patterns of settlement in the Bronze and Iron Ages and the Hellenistic through Medieval periods and the geology and palaeobotany of the region Chapters with perspectives on the excavations by original team members the history of work in the area and an overview of archaeology on Cyprus before and after the war place the fieldwork in historical perspective This volume derives from papers at a symposium that was held together with an exhibition of the finds from Phlamoudhi in 2005 It is the first in the final publication series **Cyprus** Albert F. Reiterer,2003 Frankfurt M Berlin Bern Bruxelles New York Oxford Wien The Cyprus conflict has got new prominence since the EU decided in 1997 to accept the Republic s application for full membership as a legally unified state at the Luxembourg summit This analysis demonstrates that today the core of the issue is not re unification It is a problem of security of those concerned that is the Greek and Turkish Cypriots However to achieve this target a process of de securitisation of the political debate is needed especially in Turkey The Greek Cypriots could contribute to such a process by renouncing the fictitious aim of unification They would gain greatly by concentrating on achieving objectives like indemnisation and de militarisation of the island leaving the Turkish Cypriots to aims and objectives which are determined by their own needs Contents The Cyprus question as an international problem 1945 to 2002 Cyprus Problems and Cyprus Prospects an Appraisal Approaches to Managing the Conflict EU Application and the Most Recent Events Annex Documents and Statistics *From Vision to Reality* Otto R. Romberg,Heiner Lichtenstein,1998 *Cyprus* Paschalis Kitromilides,Marios L. Evriviades,1995 The name of the Eastern Mediterranean island of Cyprus is often associated with great power rivalries regional political antagonism and multiple ethnic and partisan conflicts Yet this island is much more It is endowed with an impressive cultural heritage and is distinguished by an evolving tradition of art and creative expression Strategically positioned at the threshold of three continents Cyprus has long been a crossroads for East and West Its geographical position has shaped both its history and its culture This volume offers guidance to both older classics and to an extensive range of works on modern scholarship **Eretz Israel, Israel, and the Jewish Diaspora** Philip M. and Ethel Klutznick Chair in Jewish Civilization. Symposium,Menahem Mor,1991 The Jewish Diaspora also called the Gulla Gullut has been a central reality to the Jewish people from ancient times to the present As a result relations between the Jewish Diaspora and Eretz Israel or the state of Israel has remained a major concern The papers in Eretz Israel Israel and the Diaspora address that issue They have been gathered from the first 1988 annual symposium of Creighton University s Philip M and Ethel Klutznick Chair in Jewish Civilization **La sociedad de confraternidad vasca "Euskal Erria" de Montevideo, Uruguay** Xabier Irujo Ametzaga,2007 Greek-American Relations Theodore A.
