D H Lawrence Modes Of Fictional Style:

D.H. Lawrence Bibhu Padhi,1989 Padhi presents many helpful close readings of Lawrence s fiction and the reader leaves this study with renewed appreciation of Lawrence s achievement MODERN FICTION STUDIES **Re-Writing Jesus: Christ in 20th-Century Fiction and Film** Graham Holderness,2014-11-20 At the heart of Christian theology lies a paradox unintelligible to other religions and to secular humanism that in the person of Jesus God became man and suffered on the cross to effect humanity s salvation In his dual nature as mortal and divinity and unlike the impassable God of other monotheisms Christ thus became accessible to artistic representation Hence the figure of Jesus has haunted and compelled the imagination of artists and writers for 2 000 years This was never more so than in the 20th Century in a supposedly secular age when the Jesus of popular fiction and film became perhaps more familiar than the Christ of the New Testament In *Re Writing Jesus Christ in 20th Century Fiction and Film* Graham Holderness explores how writers and film makers have sought to recreate Christ in work as diverse as Anthony Burgess s *Man of Nazareth* and Jim Crace s *Quarantine* to Martin Scorsese s *The Last Temptation of Christ* and Mel Gibson s *Passion of the Christ* These works are set within a longer and broader history of Jesus novels and Jesus films a lineage traced back to Ernest Renan and George Moore and explored both for their reflections of contemporary Christological debates and their positive contributions to Christian theology In its final chapter the book draws on the insights of this tradition of Christological representation to creatively construct a new life of Christ an original work of theological fiction that both subsumes the history of the form and offers a startlingly new perspective on the biography of Christ **Encyclopedia of Post-Colonial Literatures in English** Eugene Benson,2004-11-30 Documents the history and development of Post colonial literatures in English together with English and American literature and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide *D.H.
