Resisting Oklahoma's Reign of Terror Joshua Clough, 2024-05 Finalist for the 2025 Oklahoma Book Awards The oil and natural gas boom in pre World War I Oklahoma brought unbelievable wealth to thousands of tribal citizens in the state on whose lands these minerals were discovered However as Angie Debo recognizes in her seminal study of the period *And Still the Waters Run* and more recently as David Grann does in *Killers of the Flower Moon* this affluence placed Natives in the crosshairs of unscrupulous individuals As a result this era was also marked by two of the most heinous episodes of racial violence in the state s history the Tulsa Race Massacre of 1921 and the Osage Murders between 1921 and 1925 In *Resisting Oklahoma s Reign of Terror* Joshua Clough details the responses of one largely forgotten Native organization the Society of Oklahoma Indians SOI to the violence and pillaging of tribal resources during the 1920s Clough provides historical understanding of its formation and its shared values of intertribal unity Native suffrage and protection of Native property He also reveals why reform efforts were nearly impossible in 1920s Oklahoma and how this historical perspective informs today s conflicts between the state and its Indigenous inhabitants Through this examination of the SOI Clough fills the historiographic gap regarding formal Native resistance between the dissolution of the national Society of American Indians in 1923 and the formation of the National Congress of American Indians in 1944 Dismissed or overlooked for a century as an inconsequential Native activist organization the history of the SOI when examined carefully reveals the sophistication and determination of tribal members in their struggle to prevent depredations on their persons and property *Line a Day Journal* Line a Day Journal, 2017-07-03 One Line A Day 5 Year Journal Writing daily can help most anyone become more focused and improve mental and emotional health There are no rules It might feel awkward at first you don t know what to write in your journal but the main thing is just to start It s just one line a day Write whatever comes to your head there is no right or wrong Over time you ll be looking forward to daily line a day journal time and jotting down your thoughts concerns joys etc This is a 5 year journal with over 370 pages Each day of the year is written inside **Daily Journal** Daily Journal Positive Vibes, 2020-01-12 Are you looking for a gift for your parents or relatives you are in the right place Each lined page has a space for the date to keep you organized 100 lined pages Size 6x 9 **9XM Talking** Randall Davidson, 2007-02-26 Randall Davidson provides a comprehensive history of the innovative work of Wisconsin s educational radio stations Beginning with the first broadcast by experimental station 9XM at the University of Wisconsin followed by WHA through the state owned affiliate WLBL to the network of stations that in the years following WWII formed the Wisconsin Public Radio network Davidson describes how with homemade equipment and ideas developed from scratch public radio became a tangible example of the Wisconsin Idea bringing the educational riches of the university to all the state s residents Marking the centennial year of Wisconsin Public Radio this paperback edition includes a new foreword by Bill Siemering National Public Radio s founding director of programming **A List of Serials in Public Libraries of Chicago**
