

DIANA

A Strange Autobiography

PUBLISHERS NOTE

This is the autobiography of a woman who tried to be normal. Although she has found it necessary to write under a pseudonym and to hide the identities of the women whose life stories fused with hers, she has fearlessly told the truth about them and herself. The publisher with it expressly understands that this is not a work of fiction. It is a true story, the first of its kind ever offered to the general reading public.
