Diario Europeo li 19701976:

The European Commission, 1958-72 European Commission,2007 This publication is both a historical record and a commemoration covering the early years of the European Commission from 1958 to 1972 before the first enlargement Forged by men and women with often very different backgrounds the history of the first few years is one of crises but also of achievements which shaped the major milestones of European integration in almost every area of the economic life of the six founder countries France Germany Italy and the three Benelux countries of Belgium the Netherlands and Luxembourg A team of historians from the six founding member states have gathered together recollections of those who were actively engaged in this process in order to write a living history of the institution its aspirations successes and failures as seen from the inside The publication is also available in a hardback edition ISBN 9789279054907

Federal Democracies Michael Burgess,Alain-G. Gagnon,2010-02-25 Federal Democracies examines the evolution of the relationship between federalism and democracy Taking the late 18th century US Federal Experience as its starting point the book uses the contributions of Calhoun Bryce and Proudhon as 19th century conceptual prisms through which we can witness the challenges and changes made to the meaning of this relationship The book then goes on to provide a series of case studies to examine contemporary examples of federalism and includes chapters on Canada USA Russia Germany Spain Belgium Switzerland and the emerging European Union It features two further case studies on Minority Nations and a Federal Europe and concludes with two chapters providing comparative empirical and theoretical perspectives and comparative reflections on federalism and democracy Bringing together international experts in the field this book will be vital reading for students and scholars of federalism comparative politics and government

The European Union Review ,1997

Reinventing Europe Brigitte Leucht,Katja Seidel,Laurent Warlouzot,2023-01-26 Reinventing Europe provides a thorough exploration of the history of the European Union tracing its development from inception to recent times It is the first book of its kind to contextualize the history of the EU within the wider frames of European and global history The volume also breaks new ground by successfully highlighting the roles individuals member states transnational actors and European institutions played in both advancing and slowing down European integration in the EU With chapters from leading academics in the UK the US and across Europe who draw on sources in a variety of languages the book presents a balanced and comprehensive account of this sometimes controversial Union It is made up of three main parts which in turn cover A narrative survey of the EU A historical analysis of the key institutions and policies Critical themes and vital geographical spaces There is also a historiographical essay which handily charts the literature in the field as well as 50 illuminating images a range of maps text boxes and primary source extracts a bibliography and a useful glossary

The Union of European Federalists Sergio Pistone,2008

The European Commission 1958-72 Michel Dumoulin,2014 The ink on the Treaties of Rome of 25 March 1957 was hardly dry when the Commission set itself up for business on 1 January 1958 in Brussels with an agenda covering all areas of the

economic life of the six founder countries Germany France Italy and the three Benelux countries of Belgium Luxembourg and the Netherlands The 15 year period from 1958 to 1972 covered by this work corresponds to the beginnings of the European Commission whose first task was to come up with practical means of achieving the treaties main objective the establishment of a common market taking as its point of departure the general interest of the entire Community of six Member States Forged by men and women with often very different backgrounds the history of the first few years is one of crises but also of achievements which shaped the major milestones of European integration in almost every area Imagination long term vision enthusiasm and tenacity seem to have been the great virtues of the people working for the young European institution at that time By piecing together over a number of years the recollections of former Commission officials a consortium of university teachers under the direction of Professor Michel Dumoulin of the Catholic University of Louvain at Louvain la Neuve has at last made it possible to tell the story of what happened during those early days This is a new edition of the book originally published in 2007 A similar project has since resulted in the publication of a book about the history of the Commission between 1973 and 1986 Editor **Federalism and Material Interdependence** Roberto Castaldi,2008 **Building Europe** Wilfried Loth,2015-08-31 Relying on internal sources Wilfried Loth analyses the birth and subsequent development of the European Union from the launch of the Council of Europe and the Schuman Declaration until the Euro crisis and the contested European presidential election of Jean Claude Juncker This book shines a light on the crises of the European integration such as the failure of the European Defence Community De Gaulle s empty chair policy or the rejection of the European Constitution in France and the Netherlands but also highlights the indubitable successes that are the Franco German reconciliation the establishment of the European common market and the establishment of an expanding common currency What this study accomplishes for the first time is to illuminate the driving forces behind the European integration process and how it changed European politics and society An enlightening work Arequired reading for all who doubt the unfinished history of Europe Rolf Steininger Frankfurter Allgemeine Zeitung This book will become an indispensable standard work J rg Himmelreich Neue Z rcher Zeitung **L'Europa nel nuovo ordine internazionale** Salvatore Aloisio,Cinzia Rognoni Vercelli,2005 *Western Europe and Germany* Clemens Wurm,1995-03 This book aims to broaden readers understanding of the issues now facing the European Union by explaining the motivation underpinning the process of integration in Western Europe after 1945 The contributors discuss the part played by the Federal Republic of Germany the role of ideas and political movements in stimulating policy the economic interest of West Germany and West German business and the strategic aspects of Germany s policy Also included is a German view of French and British attitudes toward a unified Europe and a discussion of the social history of integration I movimenti per l'unità europea ,2000 **Relazioni internazionali** Giuseppe Vedovato,1997 **La difficile costruzione dell'unità europea** Luigi V.
