Picture if you will let me set the stage December 25 2011 after watching our girls eagerly open Christmas gifts their mom whispered that I needed to take her to the hospital Backing down our long driveway waving to our girls Victoria grasping my hand tightly I m scared Me too honey What was first thought to be a bad case of pneumonia turned out be much much worse Three days later legs weakened sitting down on the cold hard floor next to the hospital elevator doors his back firmly braced against the wall upon learning his wife of 20 years is dying and knowing there is simply nothing he can do Numbed by the reality before him panicked he searched for words and courage to tell his 3 year old Jo Jo and 6 year old Keana that their mom would not be coming home How will he raise their girls alone Cancer takes no prisoners stage IV lung cancer This is not a sad story It is funny sometimes hilarious insightful depicting daily life events that everyone can relate to and hopefully inspirational to the collective human experience what we call life The main sources of my inspiration three gifts from Victoria Victoria Austin Lee the one who stole my heart Keana Austin Lee the one who recovered my heart Jordan Jade Lee Jo Jo the one destined to stop my heart
