behalf of their beleaguered state Drawing on exhaustive archival research Pease unravels the fascinating ties between these unlikely diplomatic partners He reveals how Poland not only had to fight an uphill battle against inter war America s isolationism but also had to counter America s reluctance to underwrite a nation surrounded by two strong and hostile neighbors Germany and the Soviet Union Poland s plea for political and financial backing was ultimately denied by both the White House and Wall Street with dire consequences for Poland s future and Europe s fragile peace Authoritative and original this book is valuable contribution to our understanding of America and Europe during the interwar years **Léon Blum** Joel Colton,1987 John Colton is a meticulous researcher and a fine craftsman In his political biography of Leon Blum these two qualities are beautifully blended none of the available evidence appears to have been over looked and the enormous mass of variegated material has been transmuted in a polished richly tapestried and absorbing narrative **University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Authors & titles** University of California (System).
