Diary Of A Young Girl The Definitive Edition:

The Diary of a Young Girl Anne Frank, 2010-09-15 THE DEFINITIVE EDITION Discovered in the attic in which she spent the last years of her life the remarkable diary that has become a world classic a powerful reminder of the horrors of war and an eloquent testament to the human spirit Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize winner Nadia Murad The single most compelling personal account of the Holocaust remains astonishing and excruciating The New York Times Book Review In 1942 with Nazis occupying Holland a thirteen year old Jewish girl and her family fled their home in Amsterdam and went into hiding For the next two years until their whereabouts were betrayed to the Gestapo they and another family lived cloistered in the Secret Annex of an old office building Cut off from the outside world they faced hunger boredom the constant cruelties of living in confined quarters and the ever present threat of discovery and death In her diary Anne Frank recorded vivid impressions of her experiences during this period By turns thoughtful moving and amusing her account offers a fascinating commentary on human courage and frailty and a compelling self portrait of a sensitive and spirited young woman whose promise was tragically cut short

The Diary of a Young Girl Anne Frank, 1995-02-01 The diary as Anne Frank wrote it The single most compelling personal account of the Holocaust remains astonishing and excruciating The New York Times Book Review In a modern translation this definitive edition contains entries about Anne's burgeoning sexuality and confrontations with her mother that were cut from previous editions Anne Frank's *The Diary of a Young Girl* is among the most enduring documents of the twentieth century Since its publication in 1947 it has been a beloved and deeply admired monument to the indestructible nature of the human spirit read by millions of people and translated into more than fifty five languages Doubleday which published the first English translation of the diary in 1952 now offers a new translation that captures Anne's youthful spirit and restores the original material omitted by Anne's father Otto approximately thirty percent of the diary The elder Frank excised details about Anne's emerging sexuality and about the often stormy relations between Anne and her mother Anne Frank and her family fleeing the horrors of Nazi occupation forces hid in the back of an Amsterdam office building for two years This is Anne's record of that time She was thirteen when the family went into the Secret Annex and in these pages she grows to be a young woman and proves to be an insightful observer of human nature as well A timeless story discovered by each new generation *The Diary of a Young Girl* stands without peer For young readers and adults it continues to bring to life this young woman who for a time survived the worst horrors the modern world had seen and who remained triumphantly and heartbreakingly human throughout her ordeal

The Diary of a Young Girl Anne Frank, 1991 Diary of Anne Frank with thirty percent enlargement entries which Otto Frank omitted from the original diary Anne Frank Anne Frank, 2018 *Diary of a Young Girl* Anne Frank, 1996 This edition adds sensitive material previously edited out by Otto Frank from both versions of Anne's diaries the one she intended to publish and her private diary Includes 14 b w photos and 30% more text ***The Diary of a Young Girl***

Sullivan,1999 The Holocaust in Literature for Youth provides classroom teachers and public and school librarians a practical comprehensive resource guide to all of the literature available for children and young adults on the subject Holocaust education should be more than just the study of the names dates and places it must go beyond the superficial highlights of the textbooks An outstanding resource well organized and informative Maven in Blue Jeans Steven L. Jacobs,2009 This collection of academic essays have been written in tribute to Professor Zev Garber and are divided to reflect the areas in which Professor Garber has devoted his teaching and writing energies the Holocaust Jewish Christian relations philosophy and theology history and biblical interpretation **Statement** ,1996 **The Publishers Weekly** ,1909 **School Library Journal** ,2003 **Anne Frank LP** Francine Prose,2009-09-29 In June 1942 Anne Frank received a red and white checked diary for her thirteenth birthday just weeks before she and her family went into hiding from the Nazis in an Amsterdam attic For two years with ever increasing maturity Anne crafted a memoir that has become one of the most compelling intimate and important documents of modern history She described life in hiding in vivid unforgettable detail explored apparently irreconcilable views of human nature people are good at heart but capable of unimaginable evil and grappled with the unfolding events of World War II until the hidden attic was raided in August 1944 But the diary of Anne Frank argues Francine Prose is as much a work of art as an historical record Through close reading she marvels at the teenaged Frank s skillfully natural narrative voice at her finely tuned dialogue and ability to turn living people into characters And Prose addresses what few of the diary s millions of readers may know this book is a deliberate work of art During her last months in hiding Anne Frank furiously revised and edited her work crafting a piece of literature that she hoped would be read by the public after the war Read it has been Few books have been as influential for so long and Prose thoroughly investigates the diary s unique afterlife the obstacles and criticism Otto Frank faced in publishing his daughter s words the controversy surrounding the diary s Broadway and film adaptations and the 1950 s social mores that reduced it to a tale of adolescent angst and love the claims of conspiracy theorists who have cried fraud and the scientific analysis that proved them wrong Finally having assigned the book to her own students Prose considers the rewards and challenges of teaching
