pedagogical framework articulates this work which is designed to capture localised place based learning processes and apply these principles to diverse contexts The book presents photographs and maps of the places at the centre of this learning so educators community members and readers can visualise how they might apply this methodology to their context Importantly this book positions Indigenous Knowledges Aboriginal voices and ways of knowing being and doing front and centre asserting that this is essential foundational work needed to prepare young people for living in an ever changing world

Queensland's Frontier Wars Jack Drake,2021-06-11 Queensland s Frontier Wars is an attempt to document the known confrontations between either white settlers or white and native police and First Nations people where deaths were reported It is now an accepted premise that these confrontations were wars to gain access to the land because if not wars then it was mass murder No one in Queensland was charged with the murder of First Nations during these confrontations The book shows the invasion from New South Wales into southern Queensland and the advances from the sea in central and north Queensland The dispersement of the First Nations people from their land was violent and efficient using far superior weaponry This book adds significantly to the true and uncomfortable history of Queensland **The Bulletin** ,2005-04
