Diaspora Politics

M. Laguerre

Diaspora Politics:

Diaspora, Politics, and Globalization M. Laguerre, 2006-08-01 Laguerre proposes a relationship among migrants and their home society that transcends current views in migration studies The relationship among Haitians who live outside Haiti reflects a web rather than a radial relationship with the home country Haitian migrants communicate among themselves and the home country simultaneously In viewing the Haitian diaspora from a global perspective the author reveals a new theory of interconnectedness in migration which marks a significant move away from transnationalism *Politics from Afar* Terrence Lyons, Peter Mandaville, 2011-11 More than ever diasporas have a direct impact on the politics of their homelands Today's diasporic activists empowered by new media and the ease of travel afforded by globalization engage directly to shape elections and conflicts in distant settings politics from afar Drawing on a global range of cases this groundbreaking volume explores the impact of transnational diaspora politics on development democratization conflict and the changing nature of citizenship The contributors to this collection representing a variety of disciplinary perspectives and area studies expertise reveal the diasporic politics shaping the governance of development in Mexico conflict in Sri Lanka and elections in Ethiopia among other timely cases While some predicted that globalization would usher in a new era of cosmopolitanism *Politics from Afar* demonstrates that ethno nationalism and patron client relationships are alive and thriving in transnational spaces Cognizant of the political capital residing in diasporas homeland governments opposition political parties and insurgent groups seek to tap their co nationals abroad to advance development strategies and broader geopolitical agendas *Politics from Afar* maps an ambitious theoretical and empirical agenda for the analysis of contemporary diaspora politics

Diaspora Politics Gabriel Sheffer, 2003-04-10 This book is intended to fill in a gap in the study of modern ethno national diasporas Thus against the background of current trends globalization democratization the weakening of the nation state and massive transstate migration it examines the politics of historical modern and incipient ethno national diasporas It argues that unlike the widely accepted view ethno national diasporism and diasporas do not constitute a recent phenomenon Rather this is a perennial phenomenon whose roots were in antiquity Some of the existing diasporas were created in antiquity some during the Middle Ages and some are modern An essential aspect of this phenomenon is the endless cultural social economic and especially political struggle of these dispersed ethnic groups that permanently reside in host countries away from their homelands to maintain their distinctive identities and connections with their homelands and other dispersed groups of the same nation While describing and analyzing the diaspora phenomenon the book sheds light on theoretical questions pertaining to current ethnicity and politics *The Microfoundations of Diaspora Politics* Alexandra Délano Alonso, Harris Mylonas, 2021-09-21 *The Microfoundations of Diaspora Politics* examines the various actors within and beyond the state that participate in the design and implementation of diaspora policies as well as the mechanisms through which diasporas are constructed by governments political parties diaspora entrepreneurs or international organisations Extant theories are often

hard pressed to capture the empirical variation and often end up identifying exceptions The multidisciplinary group of contributors in this book theorise these exceptions through three interrelated conceptual moves first by focusing on understudied aspects of the relationships between states as well as organised non state actors and their citizens or co ethnics abroad or at home in cases of return migration Second by examining dyads of origin states and specific diasporic communities differentiated by time of emigration place of residence socio economic status migratory status generation or skills Third by considering migration in its multiple spatial and temporal phases emigration immigration transit return and how they intersect to constitute diasporic identities and policies These conceptual moves facilitate comparative research and help scholars identify the mechanisms connecting structural variables with specific policies by states and other actors as well as responses by the relevant diasporic communities This book was originally published as a special issue of the Journal of Ethnic and Migration Studies

Between State and Nation M. Waterbury,2010-11-14 Based on a qualitative study of Hungary and its changing relationship to the 3 million ethnic Hungarians in neighbouring states this book argues that it is not the ties of ethnicity but the political interests of kin state elites that drives states in Eastern Europe to take action on behalf of ethnic kin in neighboring states

Nations Abroad Charles King,2018-02-19 This book discusses trans border ethnic populations in the former Soviet Union in a broader conceptual context highlighting the importance of diaspora issues both for post Sovietologists and for scholars of comparative politics and international relations in general

Global Diaspora Politics and Social Movements: Emerging Research and Opportunities Stacey, Emily B.,2018-12-28 Global politics has transformed in recent years due to a rise in nationalist ideology the breakdown of multiple societies and even nation state legitimacy The nation state arguably has been in question for much of the digital age as citizens become transnational and claim loyalty to many different groups causes and in some cases states Thus politics that accompany diasporic communities have become increasingly important focal points of comparative and political science research Global Diaspora Politics and Social Movements Emerging Research and Opportunities provides innovative insights into the dispersion of political and social groups across the world through various research methods such as case studies This publication examines migration politics security policy and social movements It is designed for academicians policymakers government officials researchers and students and covers topics centered on the distribution of social groups and political groups

Diaspora and Citizenship Claire Sutherland,Elena Barabantseva,2013-09-13 This collection of papers discusses the impact of diasporas on the articulations and practices of legal political cultural and social citizenship in their country of origin While the majority of current citizenship debates focus on the challenges and directions in which diasporic and migrant communities impact on the citizenship regime in their country of settlement the papers in this volume approach the study of citizenship from the perspective of the link between the sending state and its diasporic communities abroad The papers discuss the role of language religion kinship and other ethnic markers in diaspora politics and trace their implications for the articulations and

practices of citizenship Through discussing cases across political and geographical spectrums and from different historical epochs the book broadens and enriches the debate on citizenship by demonstrating important ways in which diasporas impact on the delineation of citizenship regimes and the politics of national identity in their homeland This links to the continued use of language as an ethnic marker but also one which may be learned allowing a certain degree of choice and shifting affiliations amongst putative members of a diaspora This book was published as a special issue of *Nationalism and Ethnic Politics* *Middle Eastern Diasporas and Political Communication* Ehab Galal, Mostafa Shehata, Claus Valling Pedersen, 2023-08-14 This edited book explores the development and reconfiguration of Middle Eastern diasporic communities in the West in the context of increased political turmoil civil war new authoritarianism and severe constraints on media in the Middle East Taking an interdisciplinary approach incorporating political and intercultural communication the contributors investigate the rationale for diasporic politics as well as the role of the transnational media in shaping diasporic political mobilization This analysis of the media situated within specific case studies encompassing Afghani Armenian Bahraini Egyptian Lebanese Syrian Tunisian and Turkish diasporic communities reveals the variegated ways it influences diasporic politics and facilitates political action as well as its influence on democratic actors residing in the Middle East These new insights into Middle Eastern diasporas political communication and political mobilization are based on developments in the Middle East since 2011 and ultimately highlight how diaspora groups in the West relate to the situation in the Middle East particularly in their countries of origin The book is important reading for students and researchers working in political intercultural communication and diasporic politics as well as those with a general interest in the Middle East

Introduction to Political Theory Devoreaux Ford, 2018-11-19 Political Theory at Stanford approaches the study of justice legitimacy and power by conjoining normative theory positive theory and the intellectual history of political thought Among the topics with which our faculty and students are concerned are democracy equality global justice international relations realism and idealism education deliberation institutional innovation and the organization of knowledge This book on Political Theory examines a fairly wide range of issues on political theory and explores the major issues of it by presenting the perspectives of major theorists This gracefully structured intellectually rigorous book gives students necessary historical background while examining basic themes and assessing the validity of basic arguments It elaborates the nature and significance of political theory presented in a clear direct style which can be easily understood by the students with little previous exposure to political science Rather than simply presenting an abstract of the major issues of political theory it examines leading arguments with all the major concepts It is particularly designed to cater to the need of the students and teachers of several universities colleges and for the students preparing for various competitive examinations e

African Transnational Diasporas D. Pasura, 2014-05-19 Pasura proposes a framework for understanding African diasporas as core epistemic dormant and silent diasporas The book explores the origin formation and performance of the Zimbabwean

transnational diaspora in Britain and examines how the diaspora is constituted in the hostland and how it maintains connections with the homeland

Creole Language, Democracy, and the Illegible State in Cabo Verde Abel Djassi Amado, 2023-07-10 Creole Language Democracy and the Illegible State in Cabo Verde uses Cabo Verde as a case study to critically examine the language and politics nexus in a small Creole island state. The current sociolinguistic condition of the country is that of diglossia whereby Portuguese assumes the language of power, prestige and high culture at the expense of the mother tongue of its citizens, the Cabo Verdean language locally known as Kriolu. The postcolonial diglossic language policy stands on both domestic and international factors. Thus Abel Djassi Amado explores the country's language policy history since colonial times and discusses how Portugal's diplomacy grounded on language spread policy has significantly contributed to the secondarization of the mother tongue. The ultimate consequence of the current sociolinguistic situation is the development and crystallization of the illegible state as a large segment of the population cannot comprehend the processes, operations and procedures of power carried out in a language they do not understand. The illegible state has grave consequences on political participation and the overall quality of democracy.

Dismantling Diasporas Dr Anastasia Christou, Dr Elizabeth Mavroudi, 2015-04-28 Re-energising debates on the conceptualisation of diasporas in migration scholarship and in geography, this work stresses the important role that geographers can play in interrupting assumptions about the spaces and processes of diaspora. The intricate material and complex ways in which those in diaspora contest, construct and perform identity, politics, development and place is explored throughout this book. The authors dismantle diasporas in order to re-theorise the concept through empirically grounded, cutting edge global research. This innovative volume will appeal to an international and interdisciplinary audience in ethnic migration and diaspora studies as it tackles comparative, multi-sited and multi-method research through compelling case studies in a variety of contexts spanning the Global North and South. The research in this book is guided by four interconnected themes: the ways in which diasporas are constructed and performed through identity, the body, everyday practice and place; how those in diaspora become politicised and how this leads to unities and disunities in relation to here and there; the ways in which diasporas seek to connect and re-connect with their homelands and the consequences of this in terms of identity formation, employment and theorising who counts as a diaspora; and how those in diaspora engage with homeland development and the challenges this creates.

Modern Diasporas in International Politics Gabriel Sheffer, 2026-03-20 Originally published in 1986, this book focuses on the role and influence of ethnic diasporas on international and trans-state politics. It is particularly concerned with the relations between the homelands and host countries. In recent years, the networks created by ethnic diasporas have become increasingly important in the international arena. They are now an integral and permanent feature of national and international politics. The Hispanic community in the United States, the Pakistanis and Palestinians in the Gulf, the Turkish in Western Europe and the Israelis in the USA and Canada have established themselves as new diasporas. The cultural, political

and economic activity of these diasporas are no less intensive than those which characterised diasporas established during the large migrations in the nineteenth and early twentieth centuries

Opportunity Structures in Diaspora Relations Gloria Pilar Totoricaguena, 2007 This volume consists of papers from the 2006 International Symposium on Diaspora Politics

Opportunity Structures in Diaspora Relations Comparisons in Contemporary Multilevel Politics of Diaspora and Transnational Identity sponsored by the Center for Basque Studies of the University of Nevada Reno World renowned experts present their research on such topics as the main characteristics and organizational structures of contemporary ethno national diasporas and how their relationships with their homeland and host society governments might develop communal strategies and tactics used by diasporas and how effective they are at influencing the foreign policy of central governments opportunity structures for diasporas in the post modern and trans state social economic and political systems and ways diaspora activities and ethno national identity maintenance in general influence social and political security issues both domestically and in foreign policy Papers were presented by Kim Butler Nergis Canefe Robin Cohen William A Douglass Michel Laguerre William Safran Gabriel Sheffer Khachig Tololyan and Gloria Totoricaguena Book jacket

Diaspora, Politics, and Globalization M. Laguerre, 2006-08-01 Laguerre proposes a relationship among migrants and their home society that transcends current views in migration studies The relationship among Haitians who live outside Haiti reflects a web rather than a radial relationship with the home country Haitian migrants communicate among themselves and the home country simultaneously In viewing the Haitian diaspora from a global perspective the author reveals a new theory of interconnectedness in migration which marks a significant move away from transnationalism

Politics of Transnational Minorities Razmig B. Shirinian, 2005

Congress and Diaspora Politics James A. Thurber, Colton C. Campbell, David A. Dulio, 2018-08-20 Congress and Diaspora Politics examines the impact of lobbying efforts by domestic ethnic groups and foreign governments on US policymaking Over time the number and variety of ethnic groups have grown and foreign governments have increasingly turned to professional lobbyists rather than relying on their diplomatic corps to cultivate relationships with Congress The case studies presented here examine this new lobbying environment by focusing on Jewish American Muslim American and Cuban American interest groups as well as lobbying efforts by the governments of Turkey Armenia Mexico and others They explore the strategies tactics and resources utilized to impact policymaking The volume also offers perspectives of those who have worked on both sides of the lobbying equation a view from K Street the lobbying side and a view from the Hill the congressional side Finally challenges lawmakers face when diaspora interests intersect with national interests are covered

Identity, Culture, and Politics, 2005

Diaspora and Transnationalism Rainer Bauböck, Thomas Faist, 2010 Diaspora transnationalism are widely used concepts in academic political discourses Although originally referring to quite different phenomena they increasingly overlap today Such inflation of meanings goes hand in hand with a danger of essentialising collective identities This book analyses this topic

Diaspora Politics Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Diaspora Politics PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need.

Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Diaspora Politics PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In

conclusion, the availability of Diaspora Politics free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Diaspora Politics Books

What is a Diaspora Politics PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Diaspora Politics PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Diaspora Politics PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Diaspora Politics PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Diaspora Politics PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file?

You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs?

Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on

the circumstances and local laws.
