

BIBLIOGRAPHICAL ABBREVIATIONS (Egypt/ANE)

Compiled for the Egyptology Electronic Forum (EEF),
version 14 (March 2011)

Below you may find current abbreviations of magazine names and abbreviations of much used reference works:

- The emphasis of the list is on **Egyptological magazines, bulletins, proceedings et al.** (this list being primarily designed as a FAQ for subscribers to the EEF and AEL mailing lists).
- However, all magazines dealing with the history and archaeology of the Ancient Near East are very welcome; also, some anthropological, theological and classical publications with occasional articles on Egyptian themes have been included.
- The list is not restricted to purely scholarly magazines alone, also scientific magazines for the general public get listed.
- A second group of entries are the names of monograph series et al.
- And finally some very well-known multi-volume publications like dictionaries, encyclopedias, text-editions and similar standard works, with generally accepted abbreviations, appear on the list, marked with an [*] at the end of the entry.
- We would very much like to include references to subscription info or publishers if being available online (website) or via email. Providing a list of web links for magazines (and for publishers of series) is in fact the second goal of this page, which can explain why also unabbreviated magazine names may occur.
- Abbreviations that are also current, but less common, get referred to the most common abbreviation. Note some duplicate abbreviations do occur, but there are really found in the literature. In such cases a proposed alternative for use on the mailing list is given, between square brackets. Also abbreviations for magazine names (monograph series that I've not seen in actual use, are given between [] (they are given for on-list ease of use, but also with an eye on the mentioned 'second goal' of this page). Abbreviations the book titles marked with [*] at the end of the entry, are not generally accepted/employed in the literature, and thus are restricted in use to the EEF/AEL.
- As mailing lists normally only can support the simplest ASCII character set, with diacritics, other than the basic alphabet not being visible to many of the subscribers, we must for use on mailinglists write for abbreviations without accents and umlauts. For Ae for Ä, Ue for Ü, Oe for Ö. In such cases, the normal abbreviations for on paper are referred to abbreviations suited for email. On paper the accented variants are, of course, to be used.
- You can search the page with the Search function on your browser.
- Although brevity and completion may be our goals, we are very aware we did not reach these goals yet. If you have additions or corrections, please contact [A.N.Egypt](mailto:A.N.Egypt@egyptologyforum.org). Many thanks to Chris Bennett and Federico Rocchi for their terrific help!
- We have separate pages on [E-Resources and Journals/Periodicals](#) and [Dissertations](#).
- Of course it would be much appreciated if you did not put this page or part thereof on another website, please provide a link to this page instead: <http://www.egyptologyforum.org/EEFrefs.html>. (There are a few cases of plagiarism about, e.g. on the Egyptian Dreams Board.)
