Nudes, Prudes and Attitudes Avedon Carol,1994 Given that censorship is so dangerous it is frightening to see people court it so casually Yet we hear few demands that the government support its moves for censorship with serious evidence for its claims that sexual or violent materials are known to cause anti social acts This book aims to show that there is no evidence for these claims that the arguments against pornography and for censorship are not supported by any scientific or historical evidence that anti pornography activism is a distraction from the real needs of women and that the very nature of the way the arguments are posed rests on sexist and representative beliefs
