Diary Of A Prisoner:

The Secret Prisoner Secret Prisoner,2021-09-04 The Secret Prisoner Book is a first hand insight into what prison is like in the UK This truly is Prison in the UK Exposed I was sentenced to 5 years and experienced first hand one of the worst prisons in the UK Wandsworth Prison I kept a prison diary throughout my journey as a normal business family man going through one of the worst times in my life in one of the worst prisons in the UK Time to lift the lid on what prison is really like in this true prison uncovered warts and all book This book is as raw as it gets ive self published so i apologise now if its a bit rugged in places and gramatically incorrect here and there Ive literally taken it direct from my prison diaries and formatted it in a readable format for you to see first hand what it is like to be placed in the middle of hell I wanted to share first hand what it is like to be placed in the middle of hell I heard all the horror stories of prison the rapes beatings gangs drugs violence and it terrified me and no one could prepare you for what was to come or what stories were true or not This is why I decided to keep a diary of all the events feelings politics and the good and bad things that go on inside prison Prison is a big scary and dark place but as you will read in my book there is light in the darkest of places and humanity does shine through in the last place you would expect There s selfishness charity brutality compassion and corruption Feel through my eyes what being in one of the worst prisons in the UK HMP Wandsworth prison and being in prison for the first time is really like Then there s the other side of prison the craftiness ingenuity to survive and pass the time and suppress boredom then there s the heartbreak from the children that suffer due to their parent being imprisoned partners that must face life alone now and family members who are without their loved ones Ive tried to cover my first hand feelings exactly at that moment all aspects of living in prison and what it is like for a normal family man whose business activities have landed him in this situation to now be in a completely alien environment and trying to survive Some snippets of the book to wet your whistle Ice cream shop for druggies The Pregablin Tazmanian Devil Alladins cave of Contraband like a scene from oliver He was blatently having phone sex Getting toilet roll is like finding rocking horse shit Pigeon shit mice and rats Throwing Poo More Phones here than carphone warehouse He chiseled through his cell wall wedding tackle flopping She went down like a sack of shit Wanking wakes me up Hot Spot For Suicide Killed for fish fingers Moldy Riddled in pubes and like a crime scene Im in prison for being a cannibal OAP Bare Knuckle Boxing Ive befriended a murderer The seagull shat everywhere Shipped out for KFC Inducting a Terrorist A Hitman at Ford Shankd for a pair of trainers Corona Virus Lockdown Prostitute Prison is really an unreported world and i hope this gives you a real insight into what prison is really like for someone that is a total prison virgin not accustomed to this life and what it would be like if you were to find yourself in this position First we had the secret Barrister book then the Chris Atkins Bit of A Stretch followed by The Secret Magistrate book now we have the secret prisoner book

A Good Man Inside Will Phillips, 2014-05 A Good Man Inside is the diary of one man's experiences of his time in prison written over 300 days as he reels from and makes sense of being under lock and key A white collar criminal he sees himself as someone who should not really be in prison as a good man for whom his incarceration is doubly punitive not practically necessary or achieving much other than the degradation and powerlessness of being in prison But as time passes he accepts his fate and settles down to the regime helping others and using the experience to best advantage The book takes the reader through the day to day minutiae of prison life prison conditions and the strange language of prisoner interchanges hygiene mental health and prison food It emphasises the different worlds of captors and captured and deals with the preoccupations of someone who has known better times and wishes to get back to what is left of his life and family and start all over again Captures the essence of the sudden incarceration of a previously respectable white collar offender whose reputation and comfortable life have been turned upside down Not only from self interest does he try to explain the futility of locking up people like himself making the book of interest to prison reformers as well as general readers Set out as a diary and very easy to read Illustrated by the author Humorous sometimes dark critical insightful and of particular interest to prison reformers A fascinating insight into prison life and the thought process of Will Phillips as he comes to terms with incarceration a mixture of humour and pathos a good read Elaine Beckton Will Phillips is a singer songwriter and performer whose on stage experiences include as lead singer in bands and working in musicals such as Camelot and Joseph and the Technicolour Dreamcoat Having also worked as a chef and catering events consultant and organizer in 2010 he found himself in prison for fraudulent offences The author of several short stories including Ouija Board and Curse he spends his free time at home playing his guitar in the company of his Siamese cat and best friend Dexter Has the great merit of providing the reader with a vivid account of the baptism of a first time prisoner Independent Monitor
