Mariano, 2018-07-30. Howard wasn't overly popular in high school, but he also wasn't a loner. He had his own little circle of friends, and as he grew older and more confident in himself, he began to take part in high school sports and date some of the girls that caught his eye. He couldn't understand the reason why some students would intentionally kill their classmates in mass killings, knowing full well they'd either be arrested or worse yet be killed. Howard read about serial killers over the years, and although he didn't have the traits or characteristics of one, he still fantasized about how it would be to kill someone. **Diary**
