Proceedings of the Society for Psychical Research Society for Psychical Research (Great Britain),1897 *Hypnotic Induction* V. K. Kumar, Stephen R. Lankton,2018-10-19 The age old notion of hypnotic induction receives a fresh look from notable scholars from Canada England Sweden and the USA in this book These scholars represent a breadth of theoretical perspectives cognitive behavioral Ericksonian psychoanalytic and trance state It is well known that a wide range of hypnotic induction protocols is used to prepare individuals to enhance their receptivity to test or clinical suggestions However despite its popularity of use it appears that little is known about its relevancy and boundary conditions either for testing for hypnotisability or for enhancing clinical efficacy In this volume the authors reflect on issues surrounding its definitions relevancy possible components and approaches they also suggest considerations and strategies for optimizing inductions This book will be of benefit to both newcomers to the field and seasoned researchers and clinicians alike it can stimulate new thinking and research about this important but often taken for granted notion of hypnotic induction This book was originally published as a special issue of the American Journal of Clinical Hypnosis

Master Pierre S. Freeman, 2023-06-23 The published works of H Spencer Lewis founder of the Rosicrucian cult AMORC have been read by millions over the past hundred years Many who believed that his writings contained the secrets of the universe soon found themselves controlled and brainwashed by an organization they hoped would bring enlightenment For twenty six years author Pierre S Freeman was one of these victims Now he is speaking out to help prevent others from falling into the same trap In Tales of the Puppet Master Emperor Imperator Speaks Freeman examines five of H Spencer Lewis s well known publications The truths exposed include how Lewis was able to gain the public s trust and boost his intellectual and scientific platform by posing as a public watchdog for subliminal messages all the while seeking to administer his own mind control program used questionable cosmology and science to shape himself into the image of God explained his doctrine of reincarnation through a lame fictional story of early man had connections to Nazi Germany Mussolini and other anti Semitic movements This compelling exploration examines the dangers of brainwashing and how one individual has been able to exude power over others through his writings and methodologies Never before has anyone challenged AMORC and its founder s works so directly
